Variable Tuition: Immaculate Conception Catholic School believes that a Catholic Education should be available, accessible, and affordable to any family that wants to provide their child with a quality Christ-centered education. We do that by offering Variable Tuition. Variable tuition allows families to apply for a reduced tuition rate that is based on the family's unique financial situation. Families who wish to apply for variable tuition must fill out an online application. Variable Tuition can be applied for any time throughout the year; however, the majority of assistance is awarded during spring enrollment. Applications are due by April 15th each year.

A variable tuition application is available online at <https://online.factsmgt.comsignin/3Z20W>. A link to the variable tuition application can also be found at www.iccatholicschool.com; click on the Admissions" tab at the top of the homepage and follow the directions on the Admissions page for the variable tuition application. Only completely enrolled students may be awarded variable tuition.

Referral Credit: Families who refer another family that enrolls their children at Immaculate Conception Catholic School and attends for at least a half year will receive a \$100 tuition credit. Credits will be applied on the February tuition bill. Families can earn multiple referral credits.
