ECONOMIC DEVELOPMENT

D. Maccarone

Nothing new on Sheetz, applied for a liquor license. S. Chetyrkina-Miller questioned if there was any news on how many on-premise liquor licenses there were for the Akron area? Village Solicitor Marshal Pitchford will look into that info. and get back to the council.

There are new contacts for Bass Pro in the security team. D. Maccarone had a meeting with them for additional information on key people and the inner workings of the company. Hoping to get this finally off the ground.

PLANNING COMMISSION / BZA

D. Maccarone

BZA - There was one applicant for a garden fence that was granted.

Planning Commission had a question raised on the use of recreational marijuana and how to handle its sale. D. Maccarone stated medical marijuana is in the codified ordinances right now in the business section, a restriction prohibiting medical marijuana. The ordinance will now need to be modified to include recreational marijuana, which is the easiest path to cover all the bases. M. Pitchford will draft up an Ordinance, have it on the agenda, and could refer it by motion to the Planning Committee. The PC would review it and make a recommendation, and send it back to the Council. A hearing would be held and then adopted.
