DSA representatives reported they met with the EPA. The EPA reviewed the prints and layouts and found that the existing system is basically in good shape; not much will need to be done to tie into the existing system. There will need to be some modifications, but they will be minimal.

D. Maccarone confirmed that no meeting will be held next week, making the next scheduled meeting Sept. 26, 2025. The agenda for this meeting will involve the interior design.

Adjournment made by D. Maccarone
