LOCATION (OWNER / MANAGER / AGENT): _____

All City Tow Service, a vehicle towing and impound company is hereby authorized by location owner and agent to remove any, and all vehicles illegally parked from the private property at the above location.

All City Tow Service understands that the location has certain areas designated for employee parking, after hour parking and methods of identifying legally parked vehicles that restrict this authorization and agrees to use reasonable restraint and moderation in assisting the location management to enforce parking restrictions.

Owners of illegally parked vehicles will be charged for towing and impound fees as allowed by law at legal rates posted by *All City Tow Service*. There are not fees or charges to the location involved in this agreement. Either party in writing can cancel this agreement at any time. This is a non-exclusive agreement and does not restrict the property owner or agent from exercising his rights, responsibilities and activities in any way without recourse.

All City Tow Service shall notify the location agent (above) of the vehicles removed by license numbers and descriptions whenever a vehicle is removed. *All City Tow Service* shall be responsible for notifying police and vehicle owners of the towing and impound status of vehicle and shall comply with all applicable traffic and safety laws.

Hold harmless: *All City Tow Service* hereby indemnifies and agrees to hold the location, its owner / manager / agents and employees harmless against any and all claims for any and all damages resulting from the removal, unlocking, towing, impounding, and storage of illegally parked vehicles removed by *All City Tow Service*.

All City Tow Service certifies that we are fully licensed and insured as an independent contractor and will supply full disclosure to the location owner or agent upon request for any information about vehicles, insurance or activities involving this location. The location owner / agent agrees to use and maintain proper signs declaring parking restrictions and to notify *All City Tow Service* of any change in the hours of operation, management, or security patrol of the premises that would affect the parking control.
