NCPE is continually working to provide our attendees with quality seminars at the lowest possible cost. To that end, we initially decided to replace hard copy versions of our workbooks with PDF files sent directly to attendees for downloading to their laptops or printing themselves. However, after listening to those who loved the idea of receiving the PDF files, and to those who preferred to pay a little extra to receive the traditional hard copy version of our workbooks, we decided to let you choose the option that works best for you!

When registering, please be sure to indicate your workbook preference. For the convenience of those opting for the PDF version, laptop charging stations will be available at each seminar site. Those who choose the hard copy version will receive a PDF file as well.

If registering for a webinar, you will need to download the PDF file.
