

2023 LEGISLATIVE WINS

Obtained funding for Louisiana Fortify Homes Program

- \$30 million was appropriated for the program
- Homeowners will soon be able to apply for up to a \$10,000 grant to upgrade their roofs to better withstand strong storms

Championed bills to improve the Louisiana property insurance market

- No property insurance policy can prohibit an insured from hiring a public adjuster
- Insurance companies will be required to offer endorsements and discounts to homeowners for upgrading or building their homes to certain standards to help withstand storms

Defeated bills that would be bad for residential rental property owners and property managers

- Attempt to place burdensome requirements on property managers and owners relating to renting to applicants with criminal backgrounds
- Attempt to require residential rental property owners and managers to notify tenants of neighborhood crime
