

GLASS

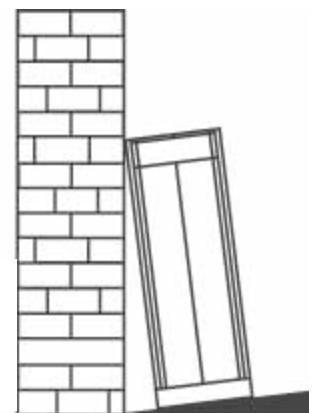

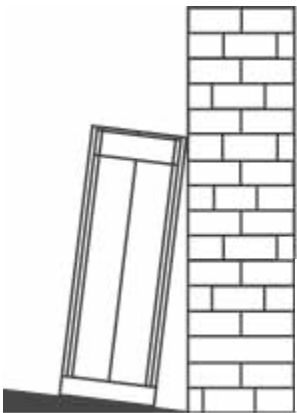

OPEN CARTON FROM THIS SIDE

IF YOU SIGN THE RECEIVING PAPERWORK TO ACCEPT THIS SHIPMENT WITHOUT CORRECTLY FOLLOWING OUR RECEIVING INSTRUCTIONS ON THIS PACKAGE – YOU DO SO AT YOUR OWN RISK.

WARNING

Always inspect glass for damage before handling. Use safety and health practices appropriate for glass including proper personal protective equipment for the hands, feet, head and eyes. Damaged glass presenting a hazard must be safely discarded.

Before opening, always lean carton against a wall or other solid support to prevent glass falling forward. Support raised carton bottom with wooden blocks or wedges. Failure to observe these precautions may result in glass falling forward, which can cause severe injury. Cartons must be blocked or wedged before carefully removing indicated side and any bracing boards to access glass. If you have any questions or concerns regarding receiving, including safely unpacking, please contact your supplier.

CARTONS MUST BE BLOCKED OR WEDGED
