

**There are people,
many people,**

**there are people
ev'rywhere,**

who do not know

the living Savior,

do not know

His love

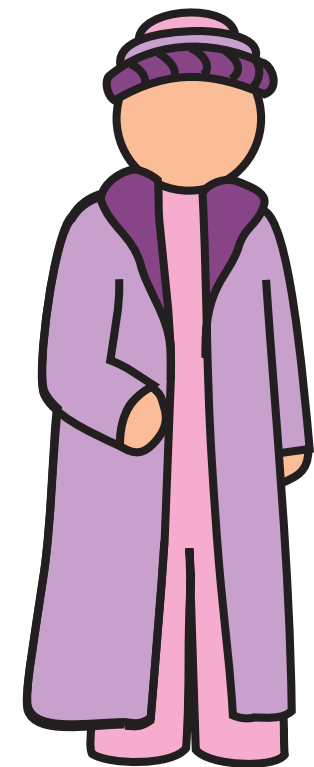

and care.

**They bow down to
gods of pleasure,**

gods of riches

and of fame

for they don't know

the living Savior,

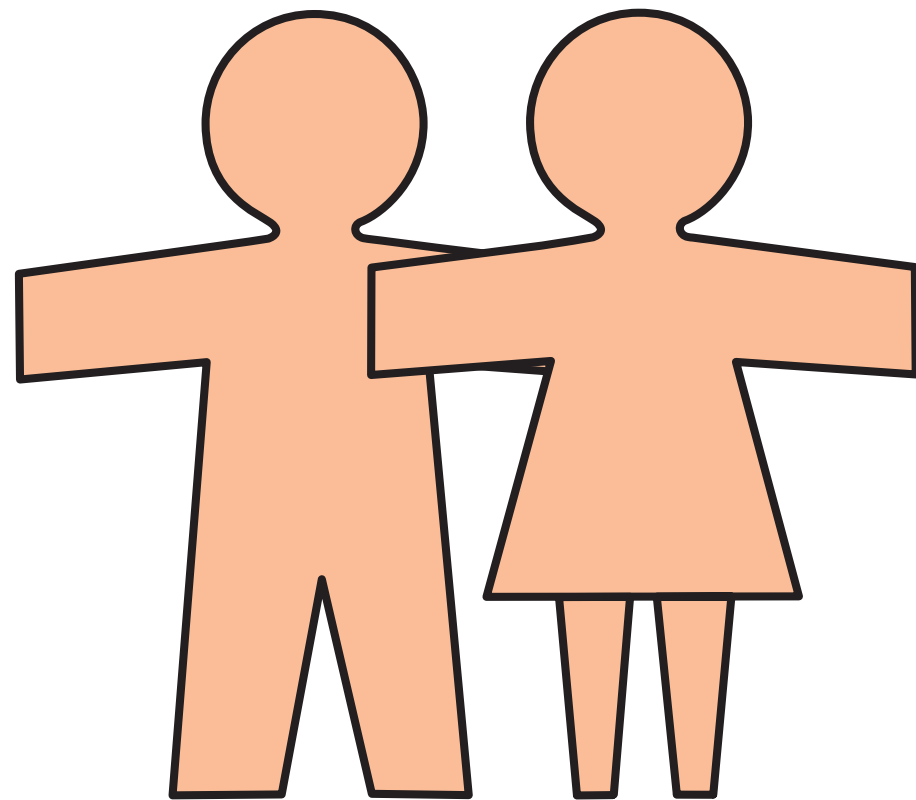

do not know

His

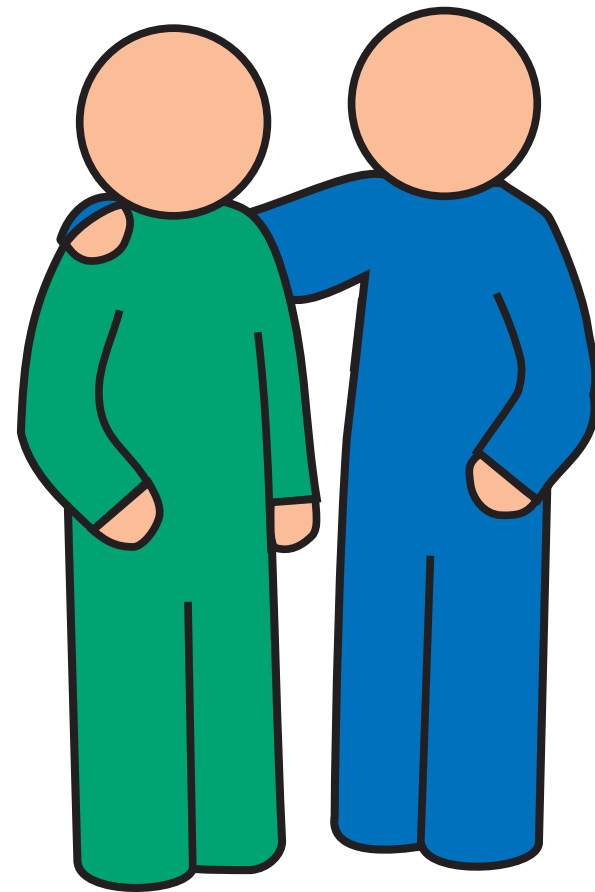

precious

Name.

???

**Look around you,
find a neighbor,**

be a friend in all you do.

**Then tell them of
the living Savior,
tell them what
He's done
for you.**
