

To the black, to the white,

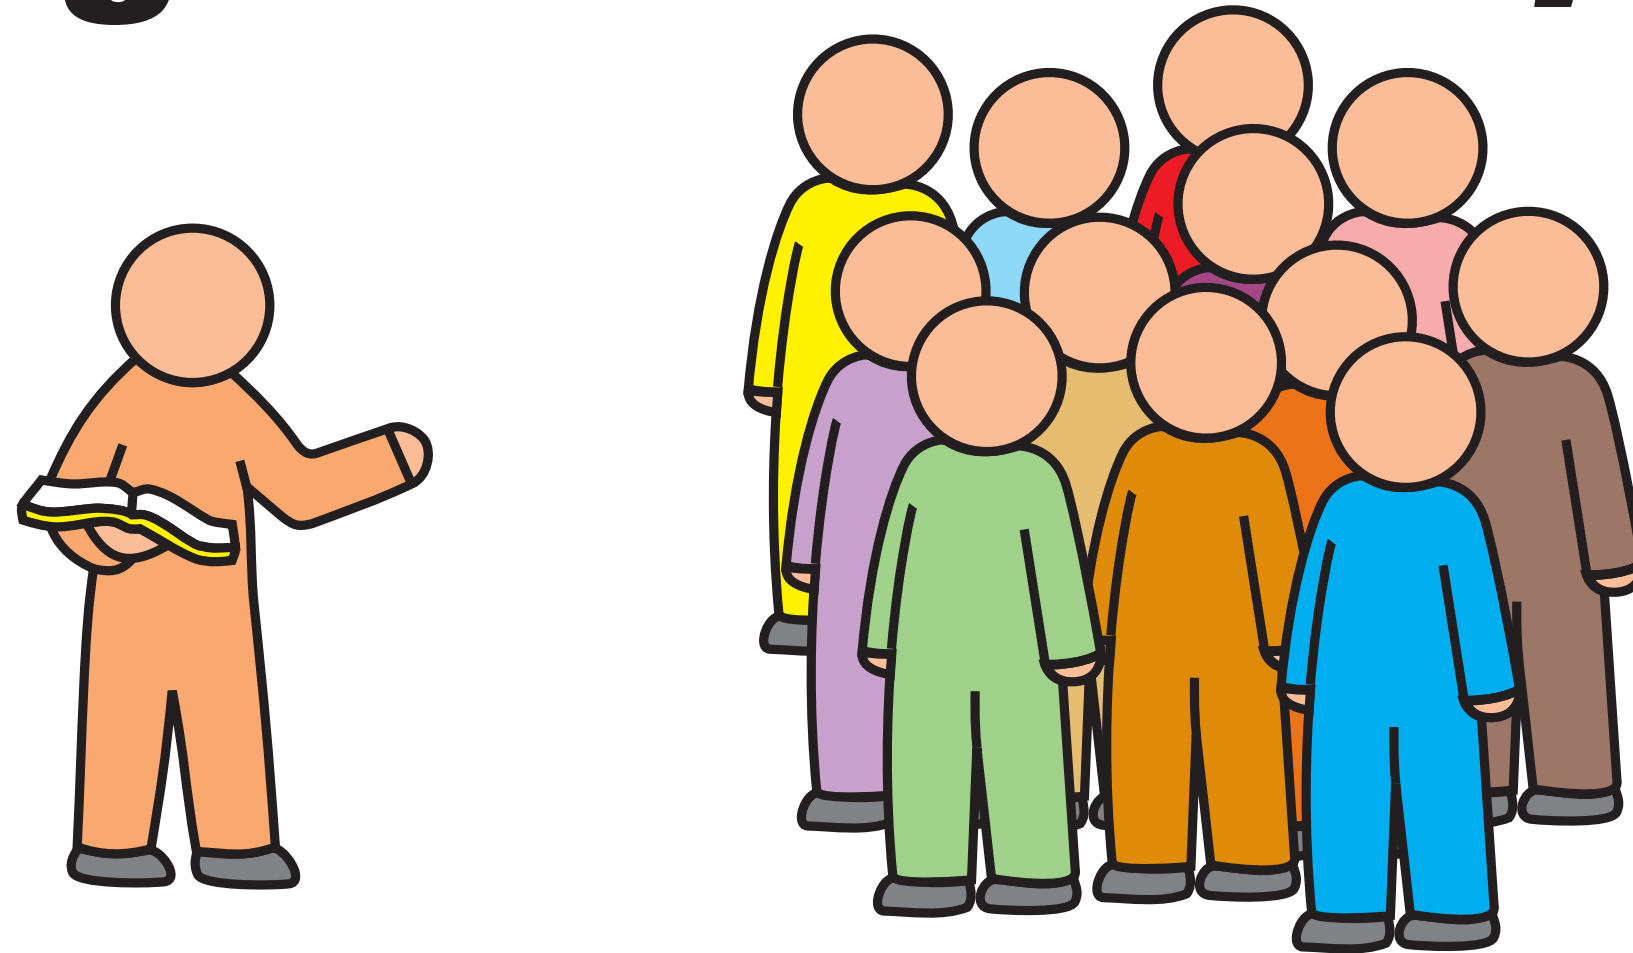

red and yellow and brown,

**to the poor
and needy,**

**and to men
of renown.**

**Tell the news,
the glorious news,**

spread it far and wide.

**Amazing grace,
Christ took my place**

when on Cal'vry

He died.

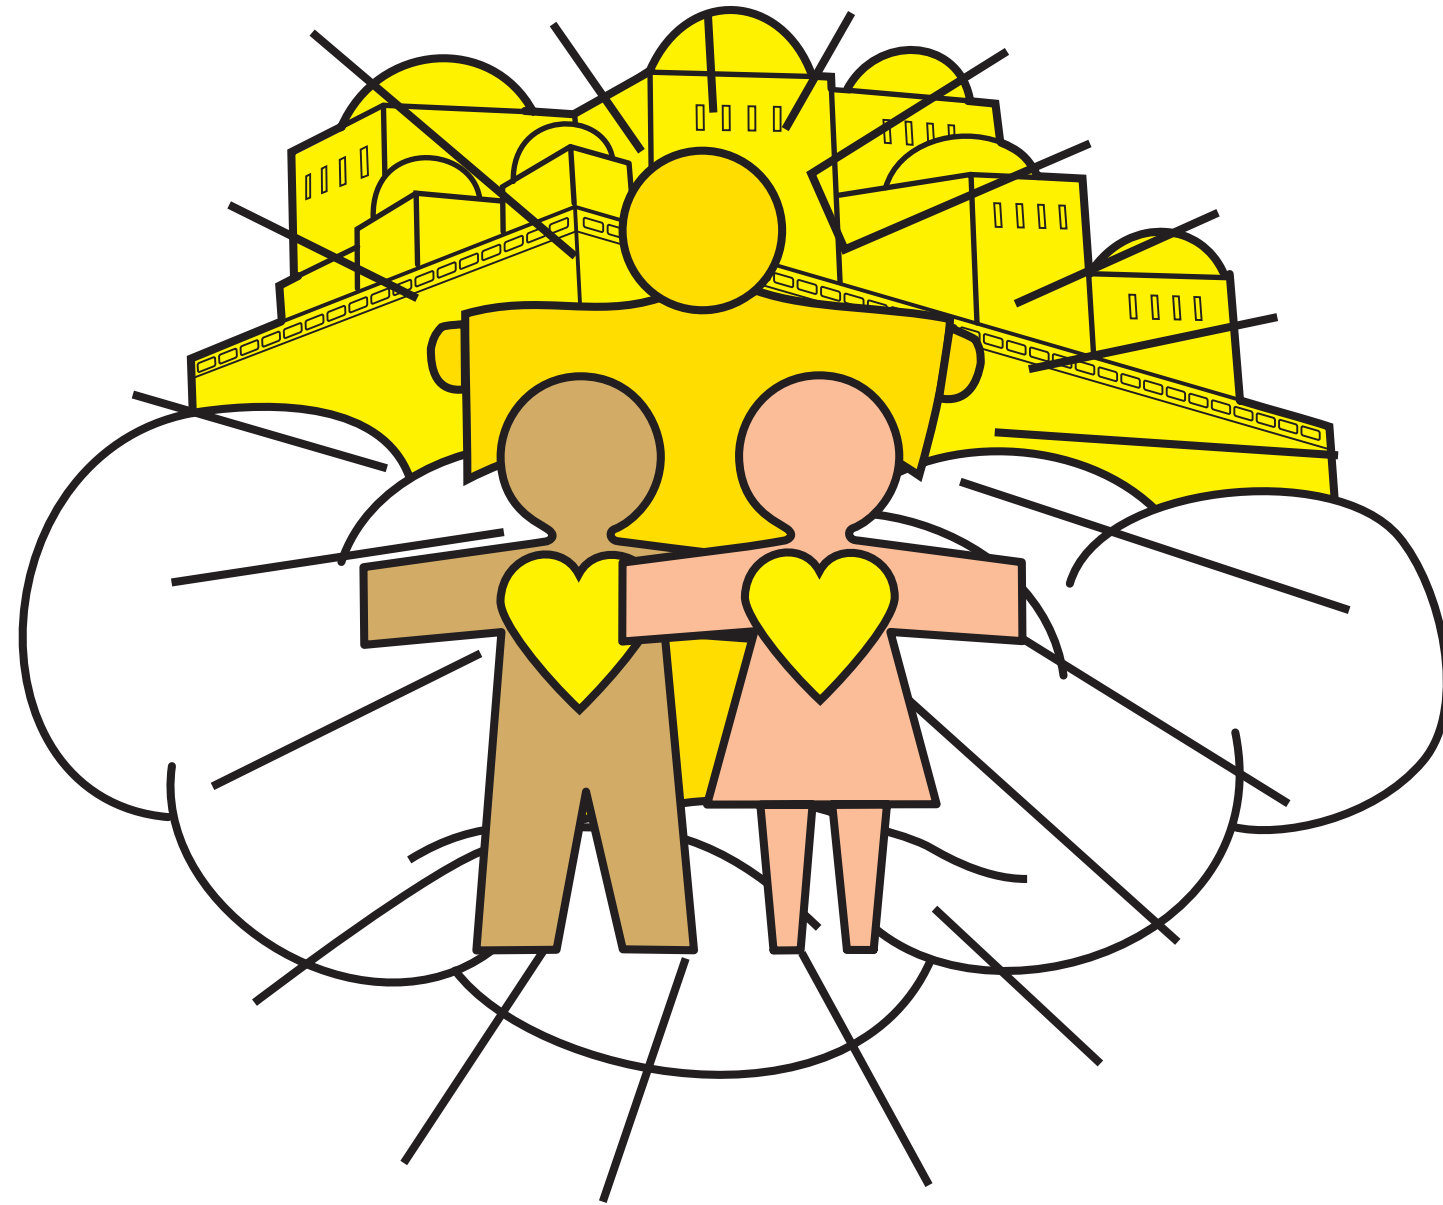

Now He lives,

yes He lives,

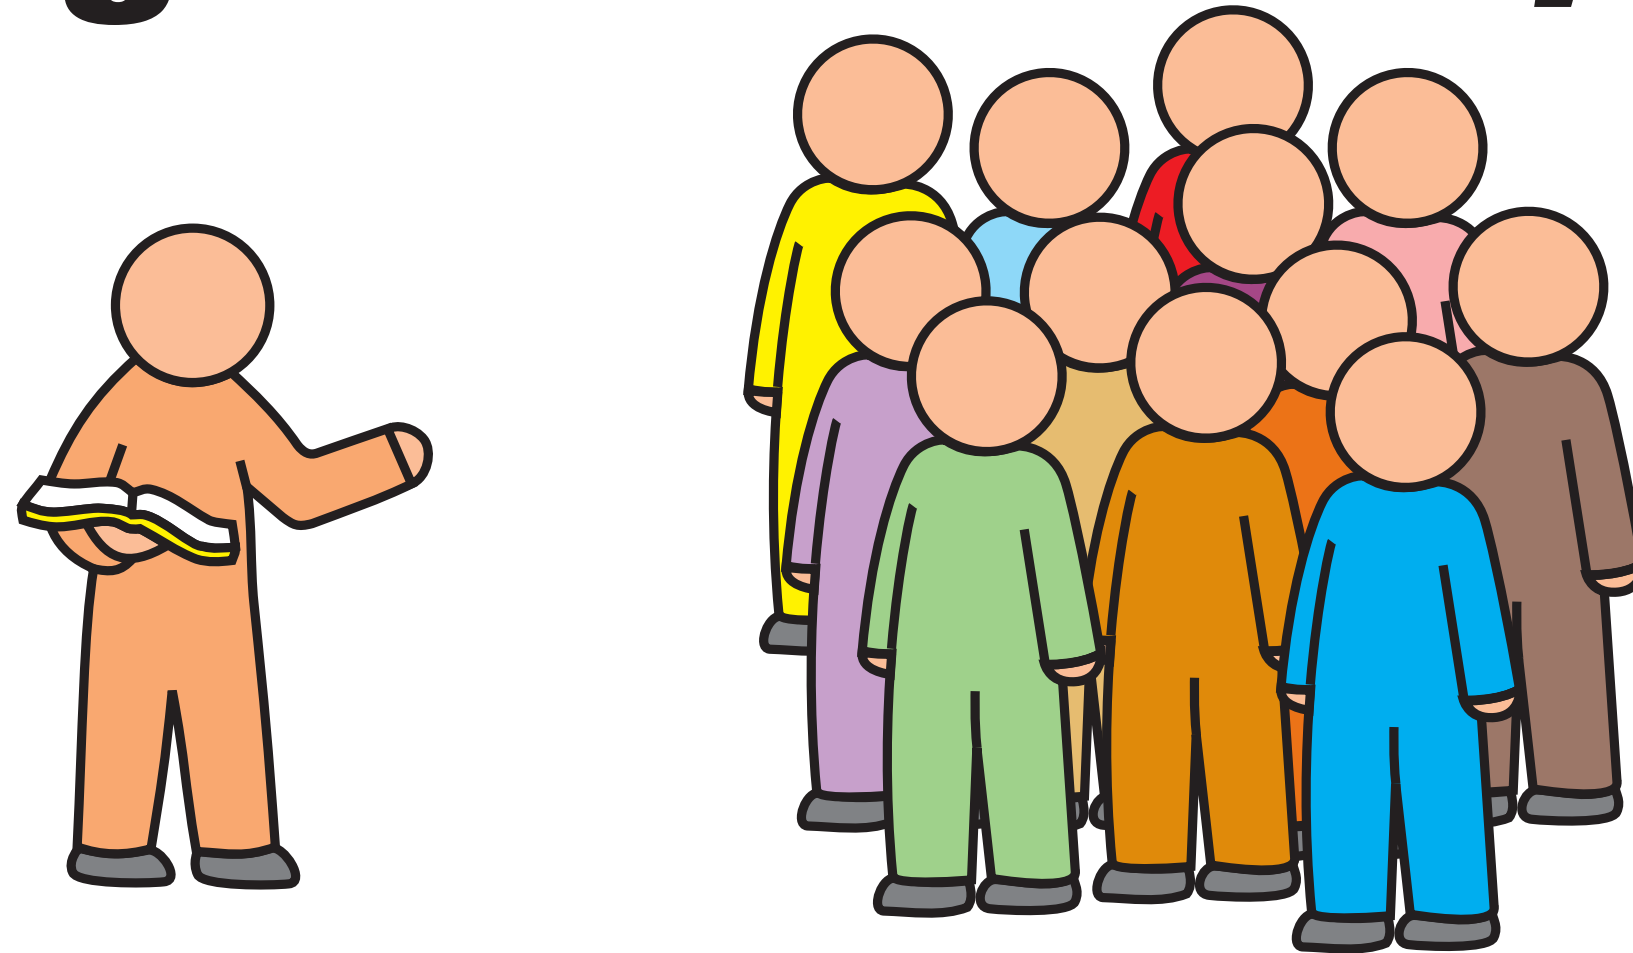

and He's coming again

to take His children

back to heaven with Him.

**Tell the news,
the glorious news,**

spread it far and wide.

**Amazing grace,
Christ took my place**

when on

Cal'vry

He died.
