

**I may think**

**the most important**

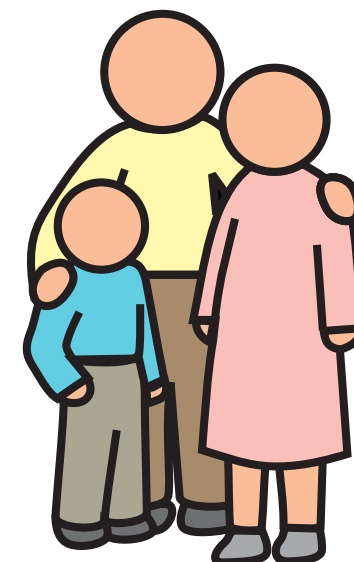

**things in life**

**are what I see:**

# clothing, food, and shelter,

# lots of friends and family.

**But when I read the Bible,**

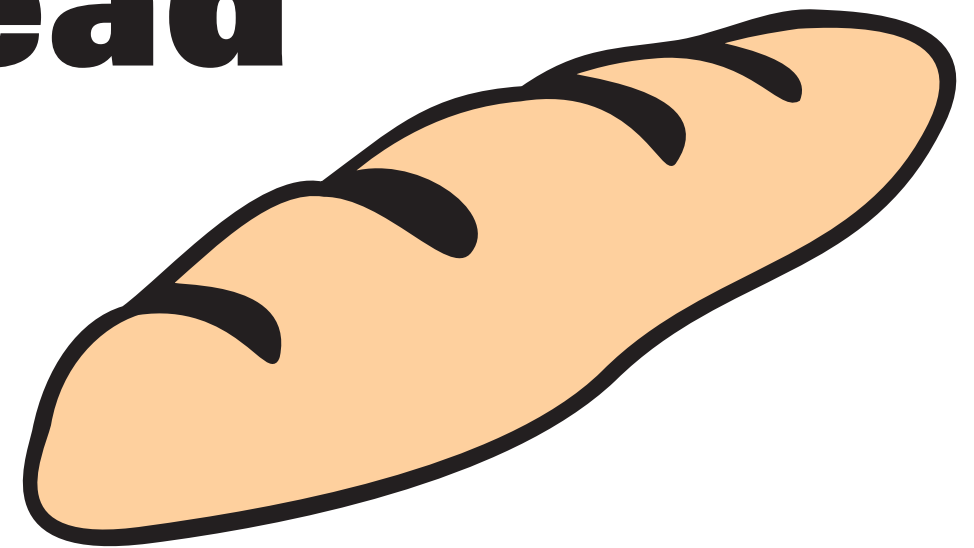

**I can see it differently;**

**Jesus**

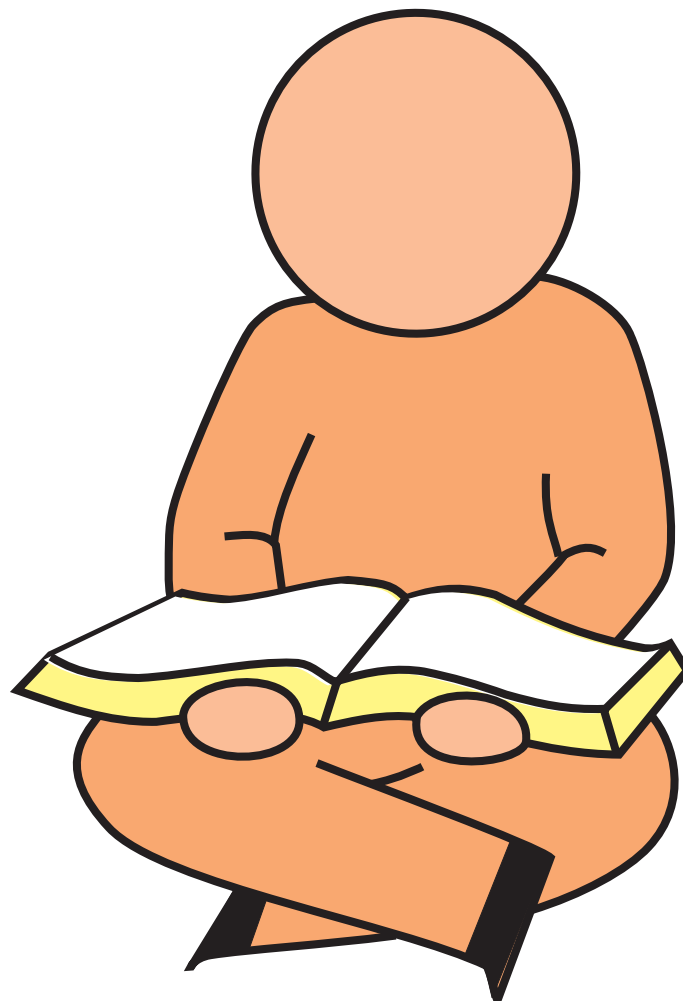

**is**

**the Bread  
of Life,**

**and He is all I need.**

**He is all I need;**

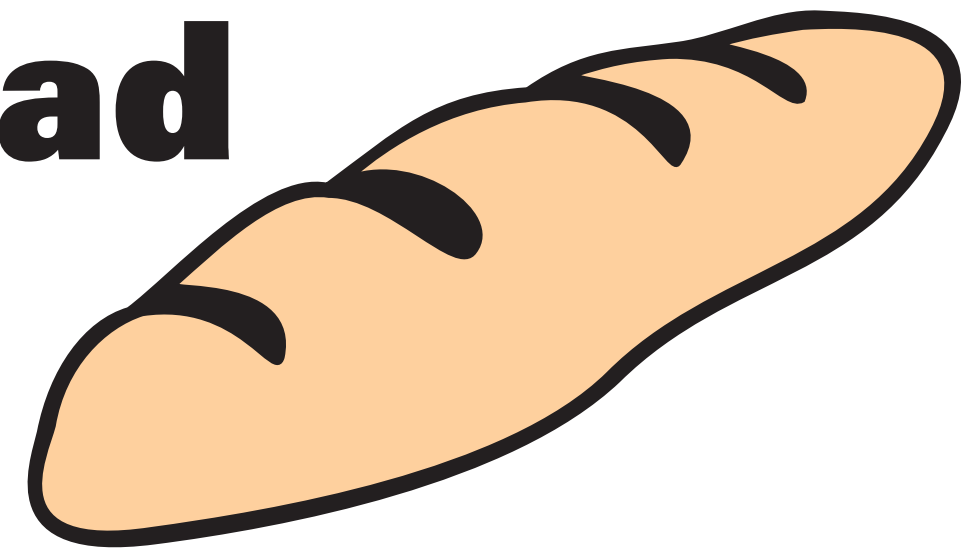

**on His word I'll feed.**

**Jesus**

**is**

**the Bread  
of Life,**

**and He is all I need.**

***(He is all I need.)***
