Select your preferred flights, airlines, and even stopovers with our fully flexible air program as early as 300 days prior to sailing. Private jet service can also be arranged.

Flight arrangements made through The Ritz-Carlton Yacht Collection include an array of benefits. Should the yacht's schedule change, your flights will be changed, and any necessary hotel overnights arranged. Additional benefits assist you in reaching the yacht in the event of a flight delay. Guests who arrange their air travel through The Ritz-Carlton Yacht Collection will have the yacht's arrival and departure schedule taken into consideration; however, it is recommended that guests arrive at least one day prior to the sailing date. Contact our Guest Assistance team at [air.hotel@ritz-carltonyachtcollection.com](mailto:air.hotel@ritz-carltonyachtcollection.com) or your Travel Professional.

## ARRIVAL AND DEPARTURE

---

If air is booked independently, guests should be mindful of the arrival and departure times for each voyage. As a general rule, arrival day flights should arrive at least four hours prior to the yacht's scheduled departure time. Departure day flights should not be scheduled less than four hours from the scheduled arrival time of the yacht.

Guests who arrange their air travel through The Ritz-Carlton Yacht Collection will have the yacht's schedule taken into consideration.

Arrival times will vary by voyage and the port of departure. Generally, arrival day check-in will open for guests at 12:30 PM. Guests must be on board two hours prior to departure time.

On departure day, guests will normally be asked to depart their suites by 8:00 AM, which allows the yacht's Ladies and Gentlemen time to prepare for incoming guests. Departing guests are welcome to enjoy the public areas of the yacht while waiting to depart with the majority of services open for their comfort. Depending on the clearance from local authorities, guests can begin to depart the yacht between 8:00 AM and 9:30 AM and must complete immigration by 9:00 AM in ports where this is a requirement.

From the yacht's gangway, guests are guided to the terminal to identify their luggage before meeting their ground transportation.

## BOARDING THE YACHT

---

Guests should plan to be on board the yacht on the sailing date at least two hours prior to departure time. Prior to sailing, we ask guests to ensure they have received all medical inoculations necessary for the sailing. Passports are required for all guests boarding the yacht and must be valid for six months after the voyage's completion date. In addition, guests should have in their possession visas and any other documents necessary for the scheduled ports of call and departure.

---

You may bring a reasonable amount of luggage on the yacht without charge. All luggage must be securely packed and clearly labeled with your full name, the name of the yacht, and your suite number, which will be written on luggage labels that will be provided upon arrival at the port.

For the most up-to-date luggage allowance policies and weight / size restrictions, we suggest you contact your Travel Professional, consult directly with the airlines or visit their websites, most of which are updated regularly with latest policies. As luggage restrictions and fees can vary by airline, class of service and destination or departure airport, you may be charged additional fees at check-in if the weight and size of your luggage and / or the number of pieces exceed the airline's luggage allowance.

### LUGGAGE VALET PROGRAM

Guests may also choose to have their luggage transported directly from their home to the yacht and back again utilizing the services of Luggage Forward. This allows guests to travel to and from the yacht without the burden of transporting luggage. For more information on this service, please visit: [luggageforward.com](http://luggageforward.com).

## MEET AND GREET

---

If you purchased airport transfers directly from The Ritz-Carlton Yacht Collection, you will be greeted by a representative from The Ritz-Carlton Yacht Collection upon exiting the baggage claim area and clearing customs and immigration. Upon departing the yacht post-voyage, you'll be greeted by a representative once again who will guide you to your waiting vehicle that will transport you from the pier to the airport or to your post-voyage hotel.

Please note, without such proper documentation, guests will not be allowed to board the yacht.

The Ritz-Carlton Yacht Collection is committed to creating a safe environment that protects the well-being of our guests, employees and the communities to which we sail. While proof of vaccination and pre-voyage testing for COVID-19 is no longer required for boarding, we recommend that guests familiarize themselves with the government public health website for their country of entry to ensure all requirements are met before departure. With the global public health landscape everchanging, our policies will continue to be evaluated and modified accordingly. For more information, please visit [ritzcarltonyachtcollection.com/health-and-safety](https://ritzcarltonyachtcollection.com/health-and-safety).

## CUSTOMS / DUTY-FREE EXEMPTIONS

---

We suggest you consider registering any foreign-manufactured items, such as cameras, watches, binoculars, and electronic equipment, with U.S. Customs prior to leaving home. Although not required, this may prevent the need to provide proof of purchase or pay duty on these items upon your return. Each traveler returning to the U.S. is usually allowed a duty-free exemption of \$800 USD, which may vary depending on the countries you have visited. An additional \$1,000 USD worth of purchases may be brought in and taxed at a reduced flat duty rate. There are limits on the amount of alcoholic beverages, cigarettes, cigars, and other tobacco products you may include in your duty-free personal exemption. For complete information, visit the travel section of [www.cbp.gov](http://www.cbp.gov) or contact the U.S. Customs office in your area. If you are not a U.S. resident, please contact the customs agency in your country.

## DAILY ACTIVITIES SCHEDULE

---

To help you make the most of each day, a daily activities schedule will provide a summary of the day's events and the operating hours for the yacht's many venues and services. From live music to activities, cocktail receptions and cooking lessons, our onboard programming will be available throughout the day and has been designed to enhance your experience while at sea, in port, or at anchor.

## ENTERTAINMENT AND ENRICHMENT

## SAFETY, SECURITY AND SUSTAINABILITY

The safety, security and genuine care of our guests and employees is our highest mission. Guests will be fully informed as to how to adhere to proper safety protocols. Upon welcoming you on board, our Ladies and Gentlemen will provide an orientation to the yacht that will include the location of your Assembly Station, where guests would gather in the unlikely event of an emergency. To ensure that all guests understand the yacht's safety procedures, your Suite Ambassador will point you to a brief video that you can watch on the television in the comfort of your suite. Should you require emergency assistance on board, a dedicated emergency phone number (ex. 911) can be used from any phone on board.

The Ritz-Carlton Yacht Collection has a dedicated team of highly skilled safety and security professionals and conducts extensive drills and training for our Ladies and Gentlemen on board. The yacht is equipped with the latest detection and surveillance systems to assist our officers in around-the-clock monitoring and responding to incidents on board and in the immediate vicinity of the yacht.

Our commitment to a sustainable future encompasses a range of initiatives, from energy and waste management to reducing our emissions. You can support these efforts by refraining from disposing of anything overboard.
