marquee hire

Our STORY

With a reach across the whole of the South West, Hatch Marquee Hire draws on over 30 years of experience to create elegant and stylish marquees tailor-made for each event.

We invest in our marquees, offering the very latest in marquee design, giving you a range of styles to create your perfect venue.

We are committed to providing high quality equipment along with an efficient, friendly service. Our office is staffed Monday to Friday (9.00am to 4.30pm) and outside office hours our Directors mobiles are always available. We are on hand to deal with any queries you may have, no matter how big or small!

If you are looking for a marquee venue that is a bit different or if you would like to hold a marquee event but don't have a suitable location, then take a look at our marquee venue listing for both Devon & Cornwall on our website.

You will find a range of locations; from field sites with spectacular coastal views to some of the finest country hotels in the South West.

Creating the perfect venue with you.

Our

MARQUEES

Frame or Clear Span marquees are free standing structures without any centre poles or guy ropes which means that they fit into their own footprint and are great if you are a little tight on space.

They can be installed onto various surfaces and are the perfect equipment for exposed sites (coastal or hilltop) as frame marquees can withstand higher wind speeds, making them the best option for both summer and winter weddings.

We can provide frame marquees in 3m, 6m, 9m, 12m, 15m widths so one size does not fit all! We can design a marquee to suit the number of guests and the layout required.

The marquees interlock neatly giving enormous flexibility to create bespoke venues with separate spaces for dining, reception and dance areas, bars and catering tents.

There are many layout options to choose from depending on the number of guests and your site. And with our broad range of equipment, you will have a lot of choice as to how you want your marquee to look.

Whatever your ideas, have a think about how you want your marquee to work for you and be part of designing your own venue for your special day!

Our MARQUEES

We stock a selection of straight or angled end walls (bell), along with white or clear roof panels, clear style windows, so you can pick and choose exactly how you would like your marquee to look.

Clear roofs and windows allow the light to flood into the marquee bringing the outside closer.

If you have a fantastic coast or country view or perhaps a beautiful building close by, these features become very much part of your day.

We can use clear roofs to define different spaces within a marquee and often use them as a feature over a dance floor, which means that during the evening you can dance the night away under the stars!

Alternatively, we can use them to create a bar/reception area either as part of the main marquee or as a marquee bubble attached to the main marquee.

However, if you really want it all you can have a completely clear marquee for a uniquely different feel that lends itself to feature lighting and hanging decorations.

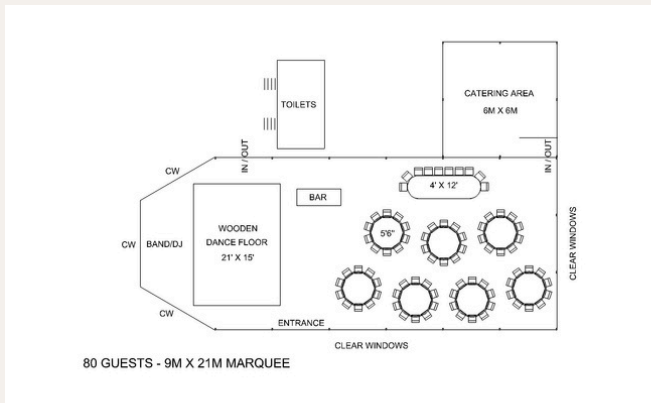

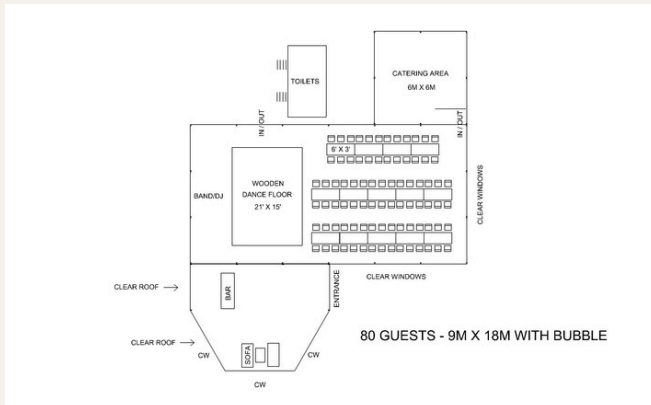

Take a look at a few marquee layouts on the following pages to get a feel for what we can offer.

Marquee LININGS

The interior of your marquee is important as this sets the scene for your day. It gives you the blank canvas to create your very own individually styled event. You can be certain that no one else will arrange their day in the same way, meaning your day is uniquely made by you, for you!

We stock both pleated and flat linings which give a different look to your marquee.

Pleated Linings

Pleated Linings have a more traditional feel with ivory swags and drapes supplied as standard. However, if you would like a splash of colour then there is a range of coloured swags and drapes that can be supplied to compliment a chosen style.

Flat Linings

Flat linings provide simply, clean lines with flat valances and drapes. These linings are flexible working equally well whether you opt for a contemporary style or a vintage theme.

Marquee LIGHTING

Marquee lighting can be an additional feature inside and outside your marquee, creating atmosphere as you move from day to evening.

Uplighters are provided as standard and come with dimmer switches so you can alter the lighting levels to suit the required ambience. Coloured filters can be used to create a wash of colour on marquee walls.

Depending on your theme, you may also wish to add chandeliers or opt for fairy lights behind the linings, to create a feature lighting effect which looks stunning. We also have LED large bulb festoon lights which can be placed in front of linings or are often used in clear roof marquees.

For a spectacular show how about star cloth linings; these can be ivory or black and really add a bit of sparkle to any event.

Outside MBI's can be used to illuminate trees or buildings or perhaps you would like to light a pathway to your marquee with festoon lighting on poles.

During a site visit we can discuss what's suitable for your marquee along with any ideas you may have.

FLOORING

Ideally your site should be flat, however, we can use integral wooden flooring to level an uneven surface or for more extreme differences in height a scaffolding platform can be built. During a site visit we can advise if this is necessary.

As standard we provide a beige carpet that can be laid directly onto grass however, you can opt to have the integral floor with exhibition carpet.

We will recommend the right size dance floor to suit your guest numbers and can provide either a wooden style or black and white option.

We stock champagne exhibition carpet, which works with any theme, but we can also order any colour from the range specifically for your event.

Marquee FURNITURE

Tables

We have a range of tables to choose from depending on how you want to arrange guest seating:

- 3' round (cake table)
- 4' round (seating 6)
- 5' round (seating 8)
- 5'6" round (seating 10)
- 6' round (seating 12)
- Oval top tables (seating 8-14 guests)
- 6' trestle tables (seating 6)

Bars

We have a range of bars available to hire including rustic bars, rustic metal bars, oak barrel bar, zip bar - straight or round.

Chairs

We stock natural banqueting, limewash chiavari, cross back and folding wooden chairs.

All are supplied with an ivory seat pad (with the exception of the folding wooden chairs).

Teak Garden Furniture

To allow your guests to make the most of a summers day we can supply sets of teak garden furniture. These can be used outside your marquee or on a covered deck area.

Sofas & Coffee Tables

Sofas and coffee tables can be used to create a chill out or lounge area within your marquee.

Marquee DECORATION

This is where you can make your marquee your own.

Your marquee is the perfect blank canvas, so you don't need to worry about whether a certain colour or theme will work - they all will!

You can do as much or a little as you want, after all, it is your marquee!

If you're creative, then you will probably have lots of ideas as to how you will want your marquee to look.

However, don't be put off if you're not so sure, have a look at our Instagram and gallery for inspiration, it's a great way to get ideas and a feel for what really works well.

ANCILLARY EQUIPMENT

Fridge Trailers

Your caterer might want somewhere to keep food & drinks chilled on your special day, so you might need to hire a fridge trailer. We can sub hire a chiller trailer for you if required.

Toilets

If you need to hire toilet facilities, either portable or luxury trailer units, we can advise on the size/number required. Luxury units offer stylishly appointed separate ladies & gents facilities and are delivered/collected and fully set up for use on site.

Electrics

During your site visit we will assess your electrical requirements and advise you if any further arrangements need to be made. If the site does require a generator, we can sub hire suitable equipment and will also liaise with bands and caterers to ensure that an appropriate supply/cabling is available.

Booking

PROCESS

Site Visits

If you are ready to take the next step, then meeting for a site visit will be one of the most important factors in deciding upon your choice of marquee. At this meeting, we will:

- discuss your ideas for your day, choose a suitable layout, and chat about the look you would like to create
- show you our extensive portfolio of photos
- talk through the different options and finishes
- assess the site and advise on the positioning of your marquee.

Following your site visit we will send you an estimate detailing all items, enabling you to see exactly what you are ordering and the associated costs. To arrange a free no obligation site visit, please call or email - we can arrange both weekday and weekend appointments.

Booking Your Marquee

Once you are happy to proceed, we will send you a contract, again itemising everything for your event. On receipt of your signed contract and a 30% deposit payment, your booking is fully confirmed.

Last Minute Changes

Inevitably when arranging any event there are some last-minute changes and wherever possible, we will work with you to accommodate any minor alterations to your booking. All we ask is for you to confirm any changes e.g. furniture/guest numbers three weeks before your event.

Final Payments

We send a final invoice 10 days prior to your event and ask that payment is made prior to the setup of your marquee.

Set up and Dismantling your Marquee

We generally set up our marquees on Tuesdays, Wednesdays, & Thursdays and dismantle on Mondays and Tuesdays. Special arrangements for delivery can be made if your site has access restrictions.
