VOLUNTEER AS A GUEST SPEAKER FOR YOUNG ADULTS EXPLORING HEALTHCARE CAREERS

INSPIRE STUDENTS!

Students consistently tell us that hearing from real healthcare professionals is the most inspiring part of their career exploration. By volunteering as a guest speaker, you can help young adults better understand healthcare pathways, daily responsibilities, and what it truly takes to enter the field.

WHAT'S INVOLVED

1. These virtual Zoom sessions last about 45 minutes and offer a guided conversation with prepared questions, a small group of high school and early college students, and an interactive Q&A with no formal presentation required.

WE'RE SEEKING HEALTHCARE PROFESSIONALS IN

- Behavioral Health
- Dentistry
- Dietetics & Nutrition
- Laboratory Sciences
- Medicine
- Nursing
- Pharmacy
- And More!

WHY VOLUNTEER

Inspire future healthcare professionals with real-world insight and lived experience. Support the next generation with a flexible, low-time commitment role.
