

Parish Council March 2026 Meeting

Each month, the Parish Council, made up of our ministry leaders, meet to discuss what is going on in our parish and what we can do to grow our parish moving forward. Below are bullet points of our most recent meeting.

Guest Speaker

- **Walking with Moms in Need:** The group from Saint Clare came and spoke with our council about what they do. They help navigate resources for expectant mothers and walk them through the process and help them with any of their needs. They also collect baby items for the expectant mothers. The expectant mothers go through an intake process and the program runs through donations and by volunteers.
