

PROVIDE THE **HIGHEST LEVEL** OF PROTECTION FOR CASH AND VALUABLES TO **INTERNATIONAL STANDARDS**

EUROPA

BURGLARY-RESISTANT PROTECTION

KEY FEATURES

- Professional high security safe protecting valuables up to the highest certified resistance levels, available in Grades I, II, III and V, certified by ECB+S in accordance with the stringent European standard, EN 1143-1. Europa hereby complies and is certified with the world's strictest requirements for quality and burglary resistance
- A range of tools typically used in professional burglary attempts were used to test Europa's level of resistance according to EN 1143-1, from basic equipment, such as hammers and simple drills, to sophisticated thermal and electrical equipment, such as oxyacetylene torches and diamond disc cutters
- Europa Grade I & II are certified NT FIRE 017 – 60 Paper for one-hour protection of paper from fire by SP Technical Research Institute of Sweden
- A choice of locking options are available at additional costs
- Each safe can be equipped with high quality fittings to maximize storage requirements
- Base fixing is standard on all models
- Light grey finish (RAL 9002)
