—ESTABLISHED 1917—

MINISTRIES DIRECTORY

Mission Statement

Under the guidance of the Holy Spirit,
the people of St. John the Evangelist
are called to embrace the Church's mission
of proclaiming the Good News of Salvation
through Jesus Christ for all.

Our witness to the presence of God
and our reaching out to others,
allows us to deepen our relationship with God.
We accomplish this through our worship together,
especially in the celebration of the Eucharist;
through ongoing faith development,
for all people of all ages and life situations;
through the performance of good works;
and through responsible stewardship,
by which we care for the gifts given to us by our God.

Parish Leadership

The councils and commissions provide leadership for the parish community by serving as consultative bodies to the Pastor and Parish Staff. The councils (Executive and Finance) collaborate with the Pastor to address the challenges and opportunities of the overall parish. Commissions provide leadership in one particular area of the parish needs (i.e. - school, facilities, liturgy, faith formation).

Both councils and commissions serve to advise the Pastor by making recommendations for priorities, strategic planning, and communications. New members are discerned through the Parish Discernment Process.

Pastoral Council

The Pastoral Council is a consultative body to the Pastor that recommends parish priorities and directions through pastoral planning and long-range visioning. The council also fosters understanding among the parishioners and parish organizations through communications and open dialog.

Chair: Joe Sullivan **joe.sullivan1020@gmail.com**

Finance Council

The Finance Council facilitates the on-going mission and ministry of the parish through the stewardship of the parish's financial and personnel resources. Working with the Pastor and Pastoral Assistant for Administration, the council recommends priorities, directions and policies; oversees the parish budget; and engages in long-range financial planning.
