

SEASON OF CREATION

Our Parish Family is celebrating the Season of Creation along with churches around the world. The Season of Creation is a time when Christians unite to rededicate our efforts to care for our common home, the earth, and all its inhabitants.

We will join other north-end parishes for prayers and songs as we process from Christ the King to Carkeek Park, where we will view the spawning salmon and celebrate the beauty of God's creation.

Together, let us care for creation and help build a more hopeful future for our common home.

Please check the parish bulletin in the coming weeks for additional details of events as we get closer.
