Do not apply if a heavy rain is expected.  
Do not apply near water, storm drains,  
or drainage ditches or to any impervious surface.  
Only apply to intended application area.

## TDS Sheet

## Caution

Keep out of the reach of  
children. Do not expose to  
direct sunlight, extreme  
heat or cold.

## Directions for Use:

1-7 lbs per acre per application  
See TDS for specific rates and dilution  
For best results apply as foliar or fertigation

Consult your PCA or Crop Consultant for  
additional information about application  
rates and timing.

Storage Information: Store in original  
container in a cool, dry place away from  
excessive moisture and heat. Reseal  
container after each use.
