Getting out & about with Connect You Too

Our amazing customers have been out and about over the past few months, embracing everything the beautiful Clarence Valley has to offer. From scenic lookouts to charming riverside towns, they've been exploring new places, enjoying great company, and of course, sampling some of the delicious food options scattered throughout our region.

Across April, May and June, Connect You Too proudly delivered a wide variety of social adventures. Our groups travelled to Copmanhurst, Ulmarra, Lawrence, Iluka and Harwood, taking in the history, the views, and the friendly local atmosphere. We also ran three exciting mystery tours, giving customers the chance to sit back, relax, and enjoy the surprise of discovering hidden gems right here in our own backyard.

But the fun didn't stop there. Alongside our social outings, customers also enjoyed dedicated shopping trips to Coffs Harbour, Tweed City and Lismore, as well as our popular fortnightly bus services to Grafton Shopping World and Aldi. These regular runs depart from Glenreagh, Brooms Head, Wooli, Iluka, Maclean and Yamba, making it easier than ever for people to access the shops, run errands, or simply enjoy a day out.

We know that staying socially connected isn't just enjoyable—it's good for you. Socialising has been shown to boost immunity, support brain health, and improve overall wellbeing. It helps people feel more engaged, more confident, and more connected to their community.

So why not join us on our next outing? Whether you're looking for a relaxing scenic drive, a fun day with friends, or a chance to explore somewhere new, we've got something for everyone. Our brand new Shopping and Social Calendar is out now, filled with fresh destinations and exciting opportunities.

In May, Connect You Too was proud to support three wonderful community groups on their social outings. Members from the CWA, Probus and Circle of Friends chose our service for their group transport, travelling to a range of interesting and enjoyable destinations. Their adventures included visits to the picturesque **Madura Tea Estates**, the cultural hub of **New Italy**, and the inspiring **Bunker Gallery**.

We love helping local groups get out, explore and enjoy time together. If your club, organisation or social group is planning an outing and needs reliable transport, we're here to help.
