Founded in 2020, Capital Valley Futbol Club was created as a Non-Profit soccer organization bringing together youth soccer clubs from the Arden, Carmichael, Citrus Heights and Sacramento areas to provide recreation and competitive level opportunities to our community.

Our Mission

Our nonprofit youth soccer club strives to provide all youth in our community with the best possible soccer experience framed by diverse opportunities that give all our children a chance to play and grow from where they are to where they want to be.

Making a Difference

Capital Valley FC values our community and recognizes its ever changing demographics. As part of our values to allow space for everyone to play, Capital Valley FC offers scholarship opportunities to families who seek financial assistance to help lower playing costs. In 2025 alone, we have given out almost \$70,000 in scholarships.

Our Vision

To be the premier soccer organization in our community where all youth can find a place to play: from entry level to the most advanced levels of play. To have players and their families enjoy a safe, fun and affordable experience while falling in love with the game.
