The purpose of this contract is to protect all parties: the purchaser, the seller, and the cat or kitten. If there are any problems, questions, concerns, or issues that you need help with, Blanche is always here. We want the adoptive parent(s) and/or family to be completely happy with the new kitten and his or her transition to the new home. Transitioning is easy for some kittens but more difficult for others, and kittens/cats handle stress in various ways. If there are ANY issues please call 503-812-5783, who will provide you with all the help she can to make this time easier for the new parents and the kitten.
