These prices are effective January 1, 2024 but are subject to change without notice. In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a burial vault or grave liner will satisfy these requirements. N.J.A.C 13:36-9.7(d)(4).
