

# Life. The Other choice.

We pause on Sanctity of Human Life Sunday to mourn and pray for the millions of innocent lives lost to abortion, the women harmed, and the families and communities forever impacted.

May we stand together in building a society in which every woman facing an unplanned pregnancy is provided the support and care to make a hopeful, courageous choice for life for her unborn child! And may we offer open arms and open hearts to post-abortive women seeking mercy, healing and a new path forward.

With the passing of Proposal 3 in 2022, a woman in Michigan now has the legal right to choose abortion at any point of her pregnancy for any reason. But, for choice to TRULY exist, every woman must have the opportunity to make the choice for life!

Together, we can build a community where every woman feels safe, valued, and uplifted in the decision to continue her pregnancy. Let us walk shoulder-to-shoulder with women facing unplanned pregnancies to offer unconditional love and ongoing support.

*I am now giving you the choice between life and death, between God's blessing and God's curse, and I call heaven and earth to witness the choice you make. Choose life.*

– Deuteronomy 30:19
