

NCYC Reflections

NCYC was hands down one of the best experiences I've had. The speakers were empowering, the community was amazing, and I left feeling changed. I'm grateful for the parish organizing and fundraising our attendance and the volunteers that made the event possible. Frederick

I really loved NCYC. It was definitely one of my favorite things I've ever done for my faith. Between seeing the Pope, listening to the different speakers, and seeing so many people around my age investing in their faith, it was a beautiful experience. Not only would I do it again, I'd definitely recommend it to any high schoolers looking to expand their faith. I'm so grateful for everyone who donated cans or money for us to go, because it was one of the coolest places I've ever been! Elizabeth

I'm so glad our parish community continues to support our youth. Chaperoning the NCYC trip was a great way to see the fruits of that support, as well as an opportunity to grow in my own faith. I really enjoyed some of the breakout sessions tailored to adults volunteering with youth, but my favorite part of the experience was sitting in the stadium with over 16,000 Catholics during adoration and watching teenagers living their faith out loud. It was an amazing experience! Leslie

NCYC was a great experience. I want to thank our parish for the donations, and a special thanks to the Knights of Columbus for their donations as well. Also, I loved sitting in the stadium for the final night mass. It was one of the best four days of my life. I'm grateful to all who gave their time and money to us youth. Isaac Yaklin
