"Thankful For God's Unbe-LEAF-able Blessings"

That's the fall theme of our 3rd Grade clasroom bulletin board, as well as our 3rd grade students off to an "Unbe-LEAF-able" start to the school year.

Together we read the Bible Story of how God created the world, and using our Seven Days Of Creation Banner, we gave thanks to God for all he created and for his many wonderful blessings.

We too have talked about the importance of making good choices as each student created a list of words that would represent how God would want us to live our lives. One way the students carried out this caring and loving reflection was through card making projects, most recently for the Box of Joy Program.

Additionally, we had great classroom interaction and participation as we learned about the Holy Trinity. We concluded the lesson with each student making a craft to honor the Holy Trinity and proudly displayed them in our classroom.

We continue to open and end our class with prayer. The students are learning about prayers of intention and have had the opportunity to write their own prayer and share it with the class during our prayer time.

With their excitement for Halloween being just around the corner, we have taken the opportunity to turn that excitement for the holiday into learning about All Hallows Eve, All Saints Day, and All Souls Day.

So as you can see we are keeping very busy as we continue to lean and grow in our faith.
