

Our Parish Sewing ministry has a nice selection of walker bags available (free) for anyone who could use one.

They work well to carry a remote, phone, meds, bottled drinks, a book, snacks, etc. Just stop by the parish office to pick one up for a family member, friend or neighbor. If needed, you can call the parish office at 989-845-7011 and we will deliver one to you.

We have plenty due to the many ways our parish and community continue to support this ministry. Thank you for all you do to help those in need.
