Message for the Bulletin

8/11/ 2025

Good afternoon, Rev. Bob Kelm,

Catholic Diocese of Nakuru is in Kenya-East Africa. The diocese is composed of two counties; Nakuru and Baringo. Baringo county is a semi-arid area and experience perennial droughts due to unfavorable weather conditions. As a result, they experience hunger/ starvation and also lack water. Some sections of Nakuru County that is Mai Mahiu experienced terrible flash floods last year which brought loss of lives of both human and animals, loss of property and of course displacement of the people. It will take long for this people before they are finally settled. In both cases the most affected are children and the elderly/seniors. Adding to the injury is the high cost of living caused by political instability in the country-Kenya.

The Diocese of Nakuru, primary goal is the propagation of the Faith. We cannot also ignore humanitarian challenges as we do that. Some of the projects are:

1. Providing food for the starving community, as well as providing water for drinking and for other domestic use.
2. Help the displaced people with the basics and also seeing that they are finally settled.

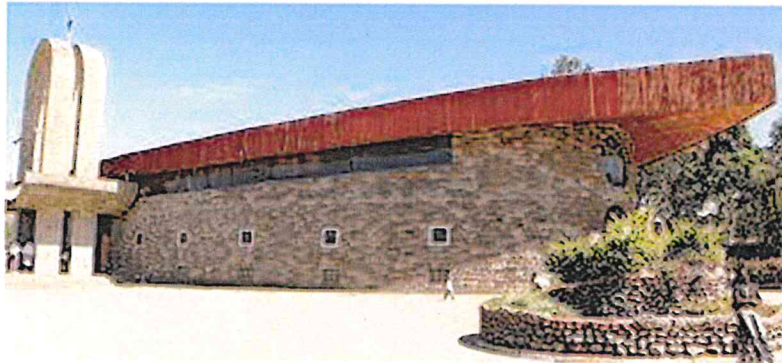

In summary

We wish to share our mission experience with your parishioners of St Michael and Mary of the IMC, Diocese of Saginaw, MI, in order to nourish them spiritually, to make them aware of our achievements and the challenges we experience in doing our mission work. We also seek their financial support, so that we can do what I have enlisted above. Rev. Augustine Kipkemei, will be our missionary priest/speaker and he will incorporate these and more in his homily-Sept 13/14th, 2025.

Regards, Rev. Evans Kulei, Director, Catholic Diocese of Nakuru
