

# [MISSIONS OPPORTUNITIES – KINGDOM BUILDERS RWANDA]

---

## **Serve. Build. Disciple.**

**Empower the next generation of gospel-centered entrepreneurs in Rwanda.**

*“The harvest is plentiful, but the workers are few.” – Matthew 9:37*

God is raising up a new generation of Rwandan leaders—young men and women ready to create, build, and serve through entrepreneurship. At **Kingdom Builders Rwanda**, we train high school and college graduates in biblical truth and practical business skills so they can launch purpose-driven businesses that transform communities.

We're looking for **mission-minded individuals** from the U.S. and around the world who feel called to go beyond short-term trips—to live, work, and serve long-term alongside us in Rwanda.
