STARTS. The Championship gala series will operate over the top starts throughout, at the Referee's discretion, with the exception of the Backstroke events. In the event of a faulty start, the swimmer must make a safe entry and not fall into the water. All swimmers should remain in the water at the end of their race until told to leave the pool by the Referee.

WARM UP. A warm up marshal will be appointed for each gala, but coaches must supervise their swimmers during this period so as not to endanger themselves or others whilst in the water. Diving is not permitted during warm up except when advised by the warm up marshal. The instructions of pool lifeguards or others in authority must be obeyed immediately.

RESULTS. Every effort will be made to provide full electronic results after each event as the meet progresses via the Maidstone club website. However, in the event of a technical failure, this may not always be possible. Results for each of the galas will be sent to each of the clubs and will also be available on the Medway ASA website as soon as possible after.

OFFICIALS. The Championships requires a minimum number of officials for each gala. If we are unable to fulfil the required number of qualified officials to ensure each gala meets the licence requirements, it may be downgraded to a lower licence level and the times recorded by swimmers will not be allowed into 'Rankings' as at that date and level.
