Core Services
Strategic & Recurring

If you need measurable results in 30-90 days, choose the engagement tier that fits your goals. Each package is custom-scoped to your needs and can evolve into automation programs through TNDM.ai.

Pricing Tier	Package Type	Value Received	Typical Duration
$	Quick Impact Projects	Funnel Optimization, CRM cleanup, pipeline audits, fast wins to prove ROI and unlock hidden revenue.	2-3 Weeks
$$	Revenue Optimization Sprint	Remove revenue engine bottlenecks, improve conversion, lift margin rates on active deals.	4-6 Weeks
$$$	GTM Strategy + Tactics	Build or refine your GTM motion, playbooks, and client-facing messaging	1-2 Months
$$$$	Fractional CRO Leadership	Executive-level revenue ownership without the full-time salary: Forecasting, Pipeline, Team Alignment	Ongoing
$$$$$	Transformation Program	Full modernization of GTM, RevOps, often paired with agentic AI via TNDM.ai	3-4 Months

Why Work With Bolt Advisory?

Because no one has built and scaled background screening growth engines like I have:

- **Experience -** 20+ years driving growth and GTM execution in the screening ecosystem
- **Presence -** Former Executive Leader at one of the ten largest companies in screening
- **Innovation -** Proven record launching new products, divisions, rescuing underperforming teams, and increasing margins while growing revenue
- **Leadership -** Respected voice and thought leader trusted by peers, partners, and investors alike
- **Execution - T**urning strategy into execution, no fluff, just true impact

You don't need more strategy decks, you need results. That's where I thrive.
