

Promote your business profile and business website on Google Search, Bing Search and Maps...

A Google My Business & Bing listing is a definite for every business to manage and can be a great first step into the online space for your business even prior to building a website or social media channels. Businesses are 60% more visible to the public with a Google My Business Page.

Add opening hours, images, a business description and even links to videos and downloads. Manage and respond to Google Reviews completed by customers on your business.

Our service is paid yearly and we do all your updates for you. Simply call through or email your changes as they arise.

\$240 (+ GST) PER YEAR
