**Per arredare in modo semplice,
veloce e conveniente, ogni ambiente**

*To design every room in a
simple, fast and convenient way*

La linea Decor Frame di NC Design® group si presenta come un progetto assolutamente innovativo poiché coniuga l'esigenza di decorare con immagini esclusive e di essere - nello stesso tempo - accessibile, riprodotto in serie con formati e supporti standardizzati.

I Decor Frame rappresentano la rivoluzione dei classici quadri e si declinano in quattro prodotti: **Allurex®**, **Lumaframe®**, **Airframe®** e **Acousticframe®**.

Le immagini, stampate sui 4 supporti della linea, diventano un vero e proprio complemento d'arredo in quanto possono essere appese o semplicemente appoggiate creando un'atmosfera unica e scenografica. Adattandosi alle diverse esigenze progettuali, garantiscono un costante gioco di luci, colori e prospettive.

Il valore aggiunto del progetto è la selezione delle immagini - che vanta la collaborazione con illustratori e fotografi professionisti - accompagnata dalla qualità della stampa R-type su **ALLUREX®** e **LUMAFRAME®**, che esalta le sfumature ed il carattere del soggetto raffigurato.

Questo catalogo rappresenta un passo avanti nella realizzazione di **complementi di design**, grazie ad immagini selezionate d'autore. NC Design® group dà vita a prodotti assolutamente esclusivi e riconoscibili, a veri "pezzi di design" perfetti per decorare con eleganza e stile qualsiasi location - da case ad uffici, hotel, imbarcazioni ecc.

The added value of the project is the selection of images - which boasts the collaboration with professional illustrators and photographers - accompanied by the quality of the R-type print on ALLUREX® and LUMAFRAME® which enhances the nuances and character of the depicted subject.

This catalog represents a step forward in the creation of design complements, thanks to artistic selected images, NC Design® Group gives rise to absolutely exclusive and recognizable products, true "design pieces" perfect to decorate with elegance and personality any location - from houses to offices, hotels, boats, etc.
