Dear friends in Christ,

This weekend and next we have some wonderful events happening in our churches:

This weekend:

AT ST ANTHONY – SATURDAY SEPT. 5 AT 5PM, WE HAVE OUR MONTHLY BI-LINGUAL MASS WITH TAMALE SUPPER AFTERWARDS

Every first Sunday of the month, at the Saturday 5PM Mass at St. Anthony we have a bi-lingual Mass. Usually, Deacon Marco preaches in English and Spanish. This month we have a special treat: Rosa and friends are making a Tamale supper afterwards- muy deliciosa!

Next Weekend:

AT HOLY INNOCENTS IN DUVALL, SATURDAY SEPTEMBER 12 IS OUR ANNUAL BINGO NIGHT AND SUNDAY, SEPTEMBER 13 IS OUR PARISH PICNIC

Saturday night September 12th, on the eve the picnic, join us for our annual bingo night from 6-8PM. There is food, fun, and prizes, and always a great time had by all!

Sunday September 13th from 11:30AM-2:30PM. As we come back from Summer this is a great time to get reacquainted with old friends and meet new ones. We have had many new families join the parish over this past year and this is such a great way to come together and strengthen the bonds of faith and fellowship among us. It's a community pot-luck so bring something to share. The Knights of Columbus will be providing their famous BBQ including hamburgers and hotdogs. Come and enjoy a really fun afternoon.

Next Weekend:

AT ST. JUDE IN REDMOND, SUNDAY SEPTEMBER 13 AT 10:30 AM WE CELEBRATE THE BIRTH OF MARY, OUR LADY OF VELANKANNI AND ALL THE WAYS BLESSED VIRGIN MARY HAS MANIFESTED HERSELF ACROSS THE WORLD AS THE MOTHER OF GOD AND OUR MOTHER

Our Lady of Velankanni is also known as Our Lady of Good Health. In approving devotion to Our Lady of Velankanni, the Vatican wrote: "There are beautiful traditions ascribed to the encounters that the Virgin had with poor and sick boys at this place of worship. Thus, the tenderness and closeness of Mary, whom Jesus desired to bequeath us as Mother of all, is manifested.

Through her intercession, Jesus Christ often pours out his strength and restores health to the sick. For this

reason, in 2002, Saint John Paul II chose that place for the celebration of the World Day of the Sick. Thus, the same Virgin Mary who manifested herself at Lourdes also manifested herself in India as the Mother of Health.

It is not merely a matter of bodily health, but also one that touches the soul. Contemplating the image of Mary we can all recognize the love of Jesus Christ that can heal our sadness, our anguish and our fears. If we pause before Mary, even in a brief moment of faith and love, her maternal gaze restores peace to us.

The first account, which is ancient, is filled with rich symbolism because the boy to whom Mary showed herself offered her the milk he had brought with him for the Child she was carrying in her arms. This was an expression of the generosity of those who are willing to give something to others, in their own poverty. You do not need to have much in order to be generous. May this call to share, to assist, to be close to those who need us always resonate in this place. Mary loves the generosity of her children, who put into action the words of Jesus: "What you did to one of the least of my brothers, you did to me" (Mt 25, 40)."

The celebrations will begin on **Sunday at 10:30 AM** in the lower parking lot with a procession and rosary. All are invited to process singing and following the statue into the Church. The procession will include images of Mary from around the world from the various different cultures represented at St. Jude. It will be a celebration of the universality of our Catholic faith, and love of the Blessed Mother. The rosary will be led in different languages. At 11AM the Mass will begin, followed by a meal downstairs in the Parish Hall. Please join us in asking the Blessed Mother's protection and healing upon our families and our parish.

Many thanks to all who are working so hard to prepare these celebrations. Come and pitch in, too! Many hands make light work. So, I urge us all to rest awhile in the Lord this weekend. Let us pray together, get to know one another, and celebrate our shared Catholic faith.

Blessings on your week!

Fr Johnson

One Parish Plan: Who Are We?

A Message from Father Johnson

**PARTNERS
IN THE GOSPEL**

The past couple of weekends, I have been preaching on Partners in the Gospel. I would like to share with you a summary of the message I have been communicating through these homilies.

The Catholic Church is built on the rock of Peter's confession of faith. In response to Jesus' question, "Who do you say that I am?" Peter responded: "You are the Christ, the Son of the living God." God the Father had revealed this to Peter. It is this faith in Jesus Christ that is the rock on which the Church is anchored. The mission given by Christ to the Church, to every parish, and to every baptized person, is to go and make disciples of Christ, and that means, that the work of every parish, is to nurture and develop in each person a living relationship with Christ in the Church. We as parishes are to help people encounter Christ: through worship and prayer, through catechesis and study, through works of mercy and justice, and through fellowship and witness.

What is Partners in the Gospel?

Partners in the Gospel is an initiative of the Archdiocese to help us as a diocese and as parishes more effectively make disciples and spread the Gospel. It is a strategic pastoral planning effort for the Archdiocese of Seattle to re-invigorate and renew our local Catholic Church given our current realities and resources. It poses the question, "How can we best use our resources to support vibrant, sustainable, mission-focused parish communities across Western Washington?"

Why now?

1. **To adapt to changing demographics.** Where the Catholic population is located and its make-up has changed over the years. In the early days, priests and sisters came from Quebec to serve the French-Canadian fur trappers. We built many churches in towns with large lumber mills and mining operations. In the wake of World War II, we responded to the baby boom by building parishes and schools in the "close-in" suburbs of Seattle, Tacoma, and elsewhere, often serving large families with 5-12 children. Today, we have different immigrant populations in different locations and, of course, family size has changed.
2. **Practice of the faith has changed.** While the number of Catholics has increased, Mass attendance has decreased in many places. In the Archdiocese, from 2010 to 2019, Mass attendance declined 11%. Between 2019 and 2025, Mass attendance declined by a further 6%. (Some good news - in our own parishes, we have been blessed that our attendance has been stable or increased in recent years.)
3. **There is a shortage of priests, especially priests who can serve as pastors.** We have always had to rely upon priest from other countries, notably from French Canada and Ireland in earlier years and these days from Africa and India. While we have many good vocations, we currently have only 80 diocesan priests to serve 174 locations. It is projected that by 2036, we will have 66 diocesan priests available to serve.

These realities make it clear that we will have to plan, adapt, and change to continue the mission Christ has entrusted to us. So, two years ago, after careful listening, the Archbishop grouped the parishes together as families to do strategic planning to figure out, how, with the given realities, priestly vocations, and parish resources, can best accomplish the mission as one parish – (Note this is one parish, not one location, or church.) Over, these past two years, we have been able to begin to get to know one another. It has been a joy to see how parishioners from the different churches have supported the different parishes, from Holy Innocents' Food Bank, to participating in St. Anthony's feast day, and supporting St. Jude Crab dinner. The "can-do spirit" and desire to work together, which I have seen, is a real credit to you all!

One Parish Plan Process

This year's task will be to develop a One Parish Plan. The goal of the planning process is to envision parish life and to plan how we will work together as one parish to make disciples and facilitate the encounter with Christ in Redmond, Duvall and Carnation. Last year, I called together a Parish Family Advisory Council to advise me and lead the process. They come from all three churches and a wide variety of backgrounds and experiences. They all have a passion for the faith, have been dedicated and involved in the parishes, and are eager to see us thrive and work together for the mission Christ has given us.

This fall we will have a series of surveys and listening sessions in two phases to gather input from you, the parishioners, of St. Anthony, Holy Innocents, and St. Jude to help develop one parish plan.

The first phase asks the question: "Who are we?" The aim is to develop a shared understanding and appreciation of the history, the people, the gifts, and the ministries central to each parish and to explore the opportunities and challenges we face today. This weekend we kick off the first phase with a survey to help us answer these questions. We will also be having listening sessions in each church in September to gather your input and thoughts to identify the strengths, challenges, and opportunities among our churches.

The second phase in October, asks the question: "Who does God want us to become?" Given our current realities, where is the Holy Spirit guiding us? How does God want us to grow and best accomplish his work? Again, we will have surveys and listening sessions to gather your input, prayer and discernment.

Your input from these two phases will be gathered and analyzed by the Parish Family Advisory Council. During January and February, they will meet to pray, brainstorm and formulate a draft of our One Parish Plan. In the Spring, that plan will be presented to the parish family for your feedback, prayer and discernment. Then it will go back to the Parish Family Advisory

A Message from Father Johnson... continued

Council and the pastor for further revision. The goal is to have the plan ready to submit to Archdiocese for review next summer. Suffice to say, we will need your participation, your input, your prayer and discernment to prepare a good plan for our communities.

We need you! Your thoughts, your prayers, your discernment!

So, I am asking of you, 5 things:

1. **Deepen your relationship with God.** For this process to be a success, we will all need to renew our faith life: Our prayer, our practice of the sacraments, our study of the faith and scripture.
2. **Pray for the Partners in the Gospel Process**, that it may bear fruit in Archdiocese, in our Churches and in our discipleship – That it will help us become better Catholics and evangelists.
3. **Participate in the process**, take the surveys, participate in the listening session, pray over the questions asked, listen to your fellow parishioners, discern the movement of the Holy Spirit.
4. **Be open to the movements of the Holy Spirit** and his guidance and change. In order for the Israelites to get to the promised land, they had to leave home, spend some time in the desert, cross the Red Sea and the Jordan to reach the other side. Jesus tells us the way to heaven is through taking up our cross and following him, which means we have to die to self to experience the new life of the resurrection.
5. **Finally, pray for vocations to the priesthood** and encourage them in your own families and in our churches.

Thank you for your love of your parish communities and for your involvement in this process. It is your faith grounded in Jesus Christ and Peter's confession of that faith that will sustain us in this process. Peter believed but, he did not always get it right. He even denied when times got tough. But he always placed his trust in the Lord and after the resurrection, three time he professed his love of the Lord Jesus: Yes, Lord you now that I love you. Dear parishioners, I have come to know of your deep love of the Lord. Together, let us renew that love as we embark upon this process of becoming one parish. May that love shine through us, build up our Church, and lead many more to encounter the saving love of the Lord Jesus.

Sincerely in Christ, Fr Johnson

LABOR DAY: MONDAY, SEPTEMBER 7

Prayer for Labor Day

As the sun rises to bring in the new day:
We remember those who descend into the earth, their work begins in darkness, pulling from the earth, the resources we steward.
We remember those who work inside a building away from the light and brightness of the day.
We remember those who work outside in the harsh elements of our world, the bitter cold and sweltering heat of extremes.
We remember those who do not have a job to go to, who are struggling to meet the needs of their daily living expenses, for whom the day becomes long and arduous.
As the sun sets to bring in the evening of rest:
We remember those who work in the night.
We remember those who are trying to recover from their labor and toils of the day.
We remember those who participate in unsafe and dangerous work.
We pray for a renewed sense of dignity in their lives and in their work.
God, in your goodness, you have made a home for the worker. Make a place in our hearts for compassion to the men and women who labor tirelessly for basic necessities. Ensure a place for the men and women who are struggling to find work. Grant us your wisdom to greet and care for those who are unable to work due to illness or circumstances that prevent their participation. Be with the children who are not able to run and play, but instead must put in a hard day's work to help their family afford to eat, to live. Be with us all, Christ Jesus, as we go about the busyness of our work. Hold us accountable not only for our actions, but most importantly to each of our neighbors. May we continue to work together to bring about your reign! We ask this in your holy name, through the power of the Holy Spirit. Amen.

STEWARDSHIP REFLECTION TWENTY-THIRD SUNDAY IN ORDINARY TIME

EZ 33:7-9; PS 95:1-2, 6-9; ROM 13:8-10; MT 18:15-20

Today's readings remind us of the importance of our relationships. God created us to live in communion with Him and with one another. Our families, neighbors, friends, and parish community need us, and we need them as we grow together in holiness.

In today's Second Reading, St. Paul gives us a simple but profound guide for living in relationship with others. Echoing the words of Christ, he writes, "You shall love your neighbor as yourself." Love is the guiding principle that helps us become good stewards of every relationship God has entrusted to us.

In today's Gospel, Jesus shows us what that love looks like, even when relationships become strained. He tells His disciples, "If your brother sins against you, go and tell him his fault between you and him alone. If he listens to you, you have won over your brother." Rather than ignoring conflict or allowing resentment to grow, Jesus teaches us to approach one another with humility, charity, and a sincere desire for reconciliation. This is faithful stewardship of our relationships.

He also reminds us of the strength found in Christian community: "Where two or three are gathered together in my name, there am I in the midst of them."

God never intended us to journey to heaven alone. May we care for the relationships He has entrusted to us and help one another grow as faithful disciples.

COFFEE & DONUTS VOLUNTEERS WANTED!

Having Sunday Coffee & Donuts after Mass is such an integral part of parish life. It is a chance to extend our liturgical celebration and connect after the busy-ness of the past week. We will start having these delectable donuts available again on **Sunday, September 20th** and would love for you to be part of this easy and fun ministry. The tasks are split up with those picking up the donuts, making coffee, having the donuts available and a quick clean up at the end. If you are looking for a simple but effective way of meeting new parishioners, or learning the name of those who sit around you, consider this way of being part of our parish family. Please use the QR code or directly contact bettyreyes@stjude-redmond.org

CHOIR IS BACK IN SEPTEMBER

Are you still on the fence about singing in a church choir? Be BRAVE and take the leap, because...

Singing in a choir releases endorphins and dopamine that alleviate pain and increase pleasure in our lives. It melts stress and can increase our immune defense. Singing in a group creates trust and bonding and community (a family, really) – wonderful support from a great group of friends, all working together to create something beautiful. Even if you can only sing a little. You do not need to know how to read music. -- go ahead and take that leap!! You won't be sorry!

The St. Jude Sanctuary Choir and Gospel Choir have started up again, but it's not too late to join. The Gospel Choir rehearses on Wednesdays at 7:00 PM in the church and sings on Sundays at the 11 AM Mass. The Sanctuary Choir rehearses on Thursday evenings at 6:30 PM in the church and sings on Sundays at the 9 AM Mass. Why not give it a try? People of all singing abilities are welcome. We'd love to have you come and enjoy the music with us!
