Cremation Boxes

Our cremation boxes are made of the highest quality corrugated cardboard. The boxes have double walled construction and are shipped flat for easy storage. (Optional leak resistant bags/liners and plywood supports are available for an additional charge.) Each box has hand cut outs for easy transportation and is available with or without lids.

STANDARD BOX

Used for direct cremation, short term storage and minimal transportation of body.

Flat: 97" x 47.5"

Assembled: 73" x 23.5" x 12"

\$65.00

Wood Base Combo Tray For Non-Casketed Remains

This shipping container has a leak resistant lining, head rest, interior securing straps over foam mattress, 1" x 4" pine frame with solid plywood bottom, 8 heavy duty handles, securing straps with removable buckles, protective corners, and is 3rd party tested and engineered.

Wood Base Air Tray for Casketed Remains

Our Air Tray has a 1" x 4" pine frame with solid plywood bottom, 8 heavy duty handles, securing straps with removable buckles, protective corners, shipping label, and is 3rd party tested and engineered. All Air Trays are IPPC stamped bug free and ATA tested and approved for domestic and international air travel.
