

GENERAL PRICE LIST

These prices are effective as of August 25, 2025 but thereafter subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. This list does not include prices for certain items that you may ask us to buy for you, such as cemetery or crematory services, flowers, official death certificates, church/clergy, organists, musicians or singers, or monument inscriptions.

BASIC SERVICES OF FUNERAL DIRECTOR,

STAFF AND OVERHEAD 3950.00

This is a non declinable charge applied to any type of funeral selected. It is for the staff to respond to initial requests for services and arrangement conference with a responsible party to determine the type of services needed. Also included in this charge is obtaining Nurse Pronouncement and/or Certificate of Death from medical facility and doctor's offices, completion of legal requirements to secure and obtain all necessary permits and authorizations, overhead expenses relative to our facility such as insurance, maintenance and utilities, administrative and secretarial, and equipment and inventory expenses. This fee for our basic services and overhead will be added to the total cost of the arrangements you select. (This fee is already included in our charges for immediate burials, and forwarding or receiving remains).

EMBALMING OF REMAINS.....\$ 1095.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as funeral with visitation or viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. Our policy is one of common sense and sanitation. We wish to assure the safety and comfort of the families who use our funeral home. We feel the only proper way to do this is by embalming the deceased if there is a ceremony with the body present, whether the casket is open or closed. If there are religious or moral beliefs against this policy, we will honor those wishes.

A Funeral Director's Prayer

*Lord, give me the patience needed to serve
everyone as my own;
the wisdom to understand other's feelings;
the knowledge to learn as well
as to instruct;
the kindness to treat everyone equally
at all times;
the strength to endure long hours
and hard work;
the desire to serve others as I would
my own family;
the humility to accept words of thanks
and praise;
the compassion to touch another's soul;
the pride and the right to smile when I have
served a family well;
and Lord, most importantly the right to
shed an honest tear when my heart
is touched;
Lord, make me thankful that
I am a Funeral Director.*
