

ROXANDER REVIEW

THE SPRING STUDENT SHOWCASE WAS A HUGE SUCCESS!

We can't thank our dancers and their families enough for the spectacular Student Showcase last month! It was truly a joyous celebration of talent and dedication, and we feel so blessed to have such a vibrant group of dance families in our community. A heartfelt thank you goes out to our amazing dancers for their hard work and breathtaking performances, to our devoted staff who nurture each child's passion, and to our supportive families for their unwavering love. Ballet is a magical art form, and we are incredibly honored to share it with our students! Here's to many more wonderful performances together!

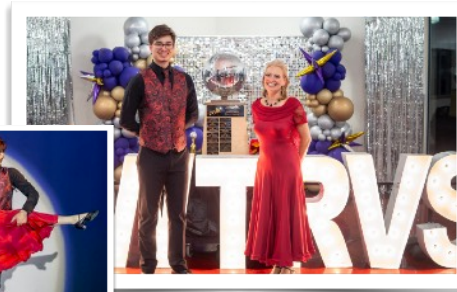

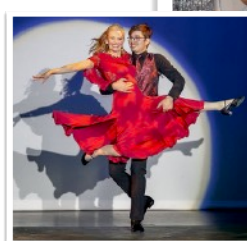

PARENT OBSERVATION IS NEXT WEEK! (June 2-7)

Last chance this school year to join us *in the classroom* for a more personal viewing of your child's dance class(es). Parent Observation is open next week Monday-Saturday! To make sure we have space for everyone, PLEASE limit observers to 2 guests/parents.

CONGRATULATIONS JACKIE!

Our very own adult ballet student and Nutcracker party parent extraordinaire, Jacqueline Clair Horn, danced in the Rogue Valley Dancing with the Stars competition last month, and she and her partner, Matthew Wilkoff, won the 1st Place Judges Award! The event raised over \$100,000 for the Southern Oregon Sparrow Clubs! We are so proud of you, Jackie!
