HEAD LICE TREATMENT

#1 - Apply Nix and leave on overnight (cover with shower cap), wash out in morning with shampoo only (do not use conditioner), dry hair and then do Nuvo Method.

#2 - Bag all stuffed animals and place outside for 2 weeks.

#3 - Wash all bedding (including pillows) in hot water and dry in dryer.

#4 - Vacuum carpets and furniture.

#5 - Wash all hair grooming items (combs, brushes, barrettes, hair ties, hats, etc) in hot water.

#6 - Make sure you treat the whole family.
