

Dear Members,

As we venture into the Club's centennial year, we are pleased to share news of an exciting project that will soon become part of the Club's longstanding legacy.

Big Woods Restaurant will no longer be operating onsite at Hillview Country Club and will officially close its doors this Saturday, February 14th. We thank them for their many years of partnership and service to our membership and community.

During the 2026 season, Hillview Country Club will open a new restaurant concept designed to serve as both a premier amenity for our membership and a welcoming addition to the broader Franklin and Johnson County community. Developing this space has been a long-standing goal for Hillview, and we believe the timing is perfect - it reflects the importance of preserving the legacy of the Club as a gathering place for family and friends.

We are collaborating with seasoned restaurant consultants whose experience stems from some of the most respected dining establishments in the state. Their guidance, paired with our Club's values and standards, will shape a restaurant that complements Hillview's character while standing confidently within the area's thriving culinary landscape.

In the months ahead, we will be sharing more details about the restaurant name, concept, menu, and timeline. We are incredibly excited about what's to come and cannot wait to welcome you for a delicious meal.

Warmly,

Hillview Leadership
