#### Progress Throughout the Years

Over the two decades following the construction of the new Clubhouse, Hillview Country Club continued to grow and evolve with a series of major improvements across the property. The current swimming pool and cart barn/golf shop were added in 1975, bringing new amenities for members to enjoy. In 1983, the first of the Hillview Homes began to appear, further shaping the community. Then, by 1995, the Augusta Banquet Room was constructed, expanding the Club's ability to host memorable events. Through it all, Hillview proved that not even setbacks could slow its momentum.

**Fun Fact:** While these larger projects were underway, the board never lost sight of the small details. They oversaw the addition of the Hillview sign, improvements to parking areas, and the ongoing landscaping that helped define the beauty of the course.
