

The Clubhouse Chronicles

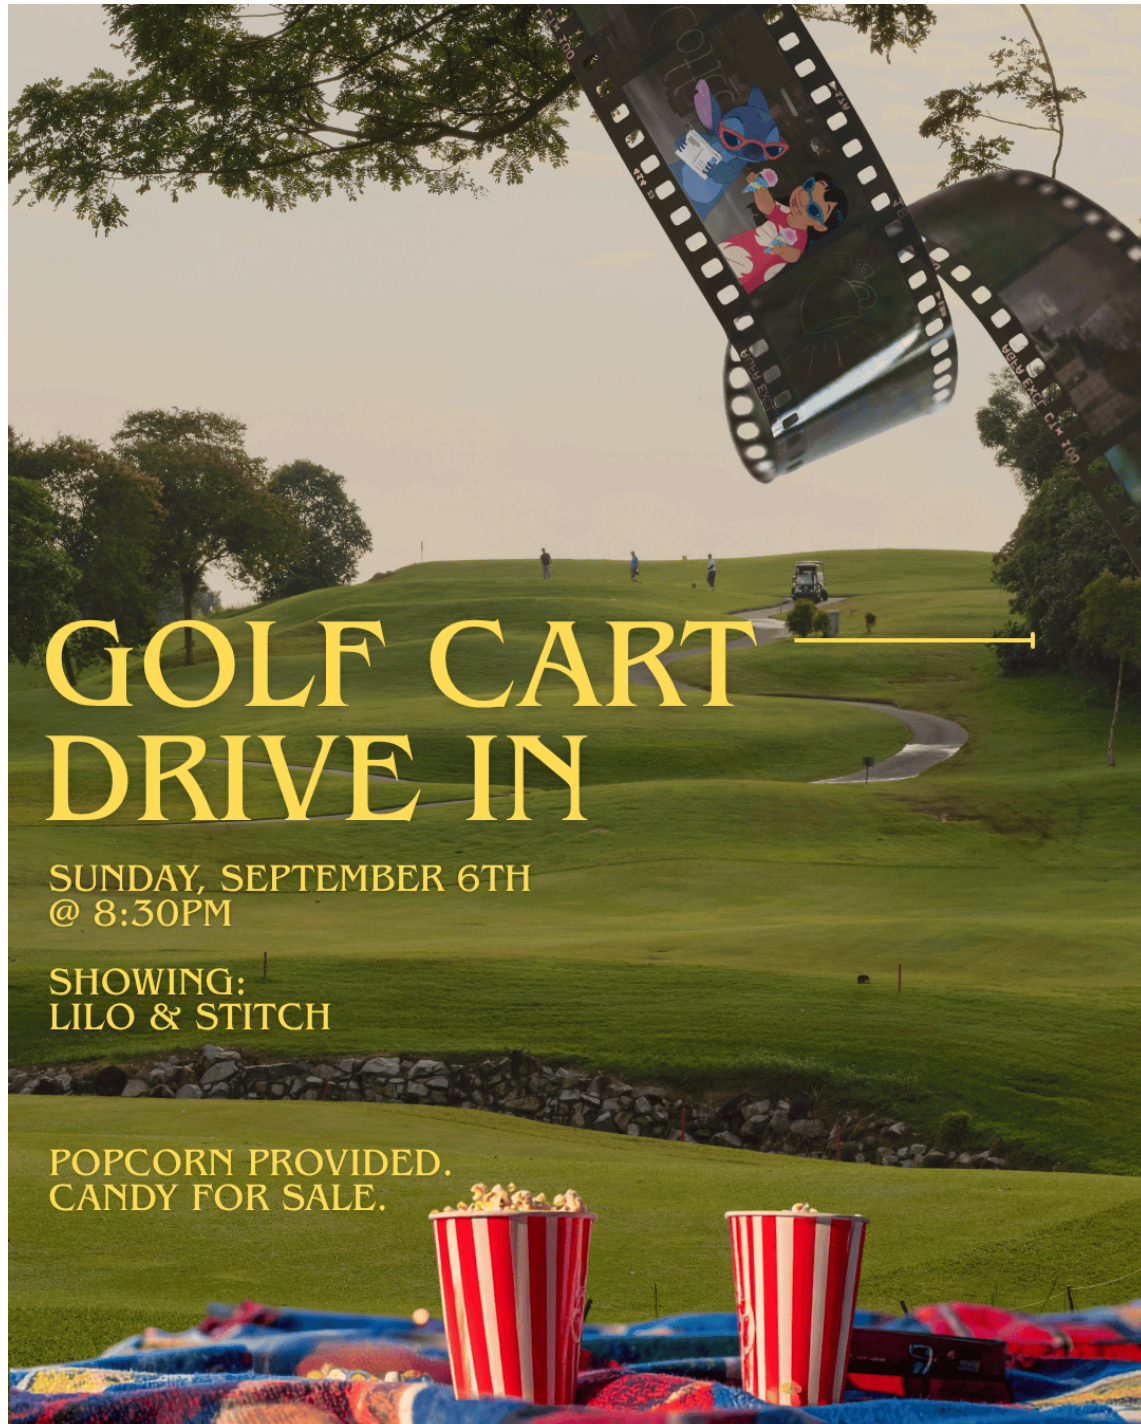

Original Dining Room vs. Now

To continue on with our "then-and-now" comparisons of the Hillview Country Club property and its associated facilities, the first image demonstrates the memorable glass enclosure that was located on the east side of the Clubhouse. It was part of the original dining room that served members and their guests for lunch and dinner. The second image features the same view of the first tee, but now from the comfortable seats of 1926 Chophouse, est. 2026.

Fun Fact: Blue plates with one of the Hillview logo renditions that were utilized in the dining room are now on display above the service station in 1926 Chophouse.

Pool Heater Notice

Pool Heater Update

- 1 Heater will be operated based on water temperature, weather conditions, and anticipated pool usage.
- 2 Target pool temperature is 80-82 degrees, activated when pool water drops below 78 degrees.
- 3 Pool temperatures will vary throughout the day even when the heater is operating. This is especially true during periods of cold weather and cold overnight temperatures.
- 4 There may also be occasions when the heater must be shut down due to pool maintenance, weather conditions, or safety requirements.

Centennial Dedication Opportunities

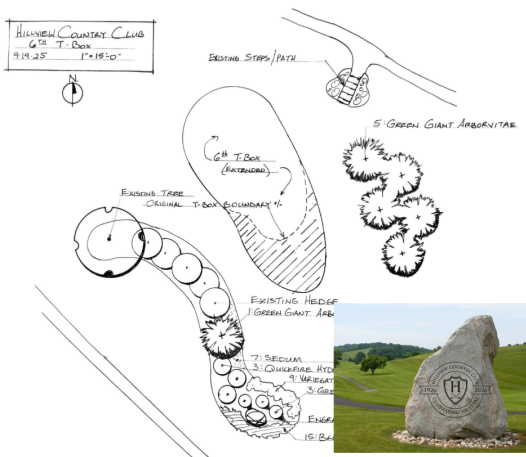

History Wall

Installation to honor the people, milestones, and moments that shaped the club's journey. A curated display featuring archival photographs, artifacts, and stories that reflect a century of growth. To be displayed in the Augusta Room.

The 6th Tee Box

The wished-for project of expanding the 6th tee box paired with a monument crafted from native Indiana limestone. Designed to stand as a quiet sentinel on the course, it marks a foundational moment in the club's history and represents the timeless elegance of the game.
