## **OFFICIAL COMMUNICATION**

Dear musicians,

In recent months, many of you have reported to us that various websites and social media pages have been created that illegally use the logo, photos, and various advertising materials of the Tiziano Rossetti Academy and our official music competition to defraud musicians and receive registration fees for our main services: lessons, competitions, and tickets for the Lugano Music Festival.

**We hereby declare that the only official website of the Tiziano Rossetti International Music Academy and all its services is [www.tizianorossettiacademy.com](http://www.tizianorossettiacademy.com).**

**There are no other websites authorized by the Academy to use our images or provide our services.**

**We also inform you that the only official social media pages of the Academy (Facebook, Instagram, X, LinkedIn) are those on which we are publishing this communication.**

The Academy will not be responsible for registrations or payments made on unauthorized channels and websites.

All unauthorized websites and social media pages have already been reported to the competent authorities. We thank you for your cooperation and support for our Academy.

Best regards,  
Tiziano Rossetti International Music Academy
