OUTREACH

MAKE AN IMPACT

In Donald Whitney's book Spiritual Disciplines for the Christian Life, he states that many people are hesitant to speak of the Gospel because they believe they don't have enough training to do so. But, he refers to the account in the book of John where Jesus healed the blind man and says. "Though he had been a believer in Jesus for only a few minutes and obviously had no evangelism training at all, he was willing to tell others what Jesus had done for him." So, "Surely if we have understood the Gospel well enough ourselves to be converted, we should know it well enough to tell someone else how to be converted."

The next organized Outreach opportunity will be Monday, February 2nd at 6 PM. Hope to see you there!
