The Cypress Heart

Count Down to Impact: 5, 4, 3, 2, 1...

The impact in our community is what we can do to show that we care about their life and their eternal soul at Expo. Don't stop reading just yet. Many of you think that you can't join in, but it is really simple. Take a flier or more. Talk to a neighbor, a friend at work, someone that you know that loves the outdoors, or is interested in gardening or livestock but just doesn't know where to start. Give a flier to the guy in the hardware store, the grocery store clerk, the wait staff at your favorite restaurant. Post it on the community board at work and if you need it digitally, let me know and we will send it to you if you don't already have it on the email we sent out to everyone back in November and December. But Wait; There's More! The Hospitality committee is working along with the Missions committee and our Men's Cooking team to make an impact in our community and they could use your help.

On the wall in the Family Center/Worship area there is a poster with slips of paper you can grab to prepare some sandwiches and such for the green room for our guest speakers and vendors for this coming Friday and Saturday. The Missions Committee has a sign-up sheet on the table as you enter the building from the foyer. They are looking for people who can greet hand out materials already placed in bags for the attendees and share the Good News with those who will listen. One of those gifts in the bag is a New Testament. As far as the Men's Cooking team, you could speak to Junior Risinger about jumping into their cooking or serving schedule. Each area has been asked to make an announcement at the end of the service today to give you all the answers you need and a chance to sign up!

God's purpose for the Little Cypress Baptist Church is to obey the Great Commission by being involved here and abroad in evangelism through missions, discipling believers, meeting social needs, and providing opportunities for Christian worship.

OUTREACH MAKE AN IMPACT

A. W. Tozer:

The voice of God is a quiet voice. The voice of God's love and grace is constant - never strident, never compulsive. God has sent His messengers to every generation. He has spoken urgently and faithfully through His prophets, through the concerns of preachers and evangelists. even through the sweet voices of the gospel singers. Further, God has spoken through witnessing men and women: plain, sincere, loving men and women transformed by a spiritual birth which is from above. This is the voice of God we hear in this day of grace - the voice of the Savior calling wandering sinners home.

The next scheduled Outreach event will be at Expo. Sign up to help the Missions committee hand out Bibles, tracts and other information about the Good News we have to share! We have also scheduled Outreach for Sunday, Feb 15th after the Potluck. Come and join in!
