The Cypress Heart

250 Years on the Foundation of the Bible: What Happens When the Foundation is Removed?

The Teachings of the Bible are so interwoven and entwined with our whole civic and social life that it would be literally- I do not mean figuratively, I mean literally- impossible for us to figure to ourselves what that life would be if these teachings were removed. We would lose almost all the standards by which we now judge both public and private morals- all the standards towards which we, with more or less resolution, strive to raise ourselves. Almost every man who has by his life-work added to the sum of human achievement of which the race is proud- of which our people are proud- almost every such man has based his life-work largely upon the teachings of the Bible.

-President Teddy Roosevelt

God's purpose for the Little Cypress Baptist Church is to obey the Great Commission by being involved here and abroad in evangelism through missions, discipling believers, meeting social needs, and providing opportunities for Christian worship.

Solomon & Unicey Nakka

OUTREACH

MAKE AN IMPACT

The rich young ruler who came to question Jesus had wealth, morality, position and youth. But his very first question gave the clue to his own inner emptiness of life: "What good thing should I do, that I may have eternal life?" (see Luke 18:18) He knew very well that there is not a person alive who has eternal youth or eternal position or eternal righteousness. So, like every other man, he had to make a choice!

Come to Outreach tomorrow night, Monday July 6th, at 6 PM and join us as we invite kids to VBS where they will hear about the most important choice they can make - to follow Jesus!

We also have invites available that you can take to your neighbors, friends and family at any time to invite their kids to VBS!
