The Cypress Heart

The Miracle of Giving and Multiplication

There are so many witnesses to the fact that God has given all authority in Heaven and on earth to Jesus. He came to us as the one unique Son of God, who has the title of Messiah, Savior, and the Prophet, the Lamb of God. Jesus has power over all of creation and the spiritual realm as well. He is the one that made the new birth possible. But we often miss the point that Jesus is seeking to show us His power in more personal ways. Is it true as we learned in Experiencing God, that God is at work around us all of the time and is inviting us to join Him in His work? How does that affect our choices and how we view the resources in our life? In my experience, there have been times that I looked at what we had to work with financially and became jealous of the boy with the five loaves and two fish. We usually look at the miracle of feeding thousands of people with food left over. Maybe the more personal story is that when we give our loaves and fish to Jesus (they really are His anyway) He can show us the miracle of multiplication. It takes a lot of faith. If we have enough faith to believe that Jesus can save us maybe we need to come to the reality that we are trusting Him with the much bigger things of our lives and eternity and turn the rest of our lives over to Him too.

God's purpose for the Little Cypress Baptist Church is to obey the Great Commission by being involved here and abroad in evangelism through missions, discipling believers, meeting social needs, and providing opportunities for Christian worship.
