Little Cypress Baptist Church NOVEMBER 1, 2026

The Cypress Heart

New Tuesday Morning Class and Other Discipleship Courses

Starting Tuesday November 3rd at 10 a.m. the Pastor will be teaching the Kay Arthur book, Teach Me To Pray in 28 Days. This four-week course by Precept Ministries International gives you a short lesson Monday through Friday and a Weekender which is a tiny practical activity that will teach you the meaning of the names of God, for example. You will learn what the Lord's prayer was intended to be for you as a disciple of Jesus. The book is $16 unless we get them cheaper, which often happens. The dates for the class will be November 3, 10, 17, and either the 24th, or the class may choose to have the last class on December 1st to stay away from the week of Thanksgiving. FYI: at least one Experiencing God class will begin in January 2027. We hope there will be two courses at very different times so a person on shift or on call could miss their class, say, in the week but make it up in an evening class or on Saturday for example. Some of you are on crazy schedules, so we will seek to accommodate that need. Our Outreach ministry team told me to let you know they are planning a witness training in early 2027. Please let Randy or Leslie Ray know if you would be interested in participating and the best time for you to attend.

God's purpose for Little Cypress Baptist Church is to obey the Great Commission by being involved here and abroad in evangelism through missions, discipling believers, meeting social needs, and providing opportunities for Christian worship.

OUTREACH

MAKE AN IMPACT

From AW Tozer:

If God had not always operated in grace, He would have swept the sinning human race away. This, then, is the good news: God is gracious all the time, and when His grace becomes operative through our faith in Jesus Christ, then there is the new birth from above.

Please join us for Outreach on Saturday, November 7th at 11 AM as we go out to reach our community with the truth of Jesus.
