OUTREACH MAKE AN IMPACT

The days are getting shorter, and Day Light Savings Time will soon end, but we want to keep reaching out to our community with the Truth about Jesus on Monday nights at 6 PM. We will continue to visit new moves and would love to get contacts from you, so keep your eyes out for new neighbors. We can get you the materials to visit with them, we can team up with you on the visit, or we can put a team together with information you give us. We will also look at times other than Monday nights. If another time or day works better for you, let us know, we would be glad to partner with you at any time that will work.
