Life Stewardship Sermon Series

Everything we have and everything we are in His kingdom and all that we can become is from and for God. The body we travel around in, the air we breathe, everything we are able to work to accomplish is given to us by God. All of the resulting resources are His provision. The time we have each day is something we will be accountable for some day. What we give our attention or devotion to is a matter of priority to our Lord and Savior Jesus Christ. Whether it is talents from birth or spiritual gifts from new birth, they are given to us at the appropriate time. God even uses the detrimental effects of this fallen world on our bodies to accomplish His good purposes. We always want to control our circumstances and resources to be used for our pleasure and happiness. God is inviting us to be saved and live in a First Love relationship with Him. That God-centered life will look a lot different that the self-centered life we are tempted to live. The God-centered life results in treasures in heaven, and an abundant life here and now. We have choices to make. The question is whether we have our faith in Jesus who gave everything that we might be born again and have a brand-new life.

God's purpose for Little Cypress Baptist Church is to obey the Great Commission by being involved here and abroad in evangelism through missions, discipling believers, meeting social needs, and providing opportunities for Christian worship.

NAMB 
Jordan Scott
Jordan is a church planter at Resonate Church Grand Junction in Grand Junction, CO. Jordan is asking us to pray for God to punture the darkness at Colorado Mesa University, saving and healing the lost on campus. Also, pray for God to raise up leaders to be sent on campus, in the city, and across the world.

Worship, Sermon, and Ministry Fair-
September 20

Next Sunday's worship time is so important in the life of LCBC. We will have a wonderful time of worship. The sermon presented by Brian Patrick is the second in the Life Stewardship series. These are not "canned Ai sermons." Your pastors have prayed and sought God for insights from His Word specifically for LCBC right now. We will leave time for you to go from booth to booth to see what the various service groups do in our church. You will have the opportunity to see how your spiritual gifts fit into service in the body of Christ at LCBC.

SEPTEMBER 20-27 WEEK OF PRAYER

The annual state missions ministry offering of the Southern Baptists of Texas Convention. 100% of your Reach Texas giving is spent on Missions & Evangelism Ministries / Strategies (Disaster Relief, Church Planting, Evangelism and Missions). Because of Cooperative Program giving all funds given through Reach Texas will go to missions and ministry with no administrative costs.

thank you

Thanks to Pastor David and LCBC for letting us use the dinning hall, It was a welcoming place for my family in our time of grief.

In Christ,
Glenda Mello

OUTREACH
MAKE AN IMPACT

It has been said to, "Preach the Gospel and, if necessary, use words." So, we are to treat people with the same love that God has shown us (at least as closely as we humanly can). But the Bible says, "How, then, can they call on the One they have not believed in? And how can they believe in the One of whom they have not heard? And how can they hear without someone preaching to them?" (Romans 10:14)

It is true that our actions must align with our words, but if we don't tell people about the hope we have in Christ who died and rose again to save us from our sins, how will they understand what is behind our actions of love? Join us on Monday, September 21st at 6 PM in the Adult 1 area for Outreach as we go out to reach our community with the Truth of Jesus.
