Have You Ever Been in Love?

Though the world has a very distorted view of what being in love means, we as followers of Jesus know that God leads men and women together with the intention of a lifelong relationship that is not based on lust, selfishness, and self-gratification. Love is something that values the other person enough to do what is right for them even if it calls for a sacrifice on our part. People in love want to spend time together, they want to speak to each other and listen to each other. People in love want to read the things that the loved one wrote to them. When you are around these people and their loved one is not there, you could get tired of hearing them talk about how great that person is and all of the wonderful things about them, We have a lot of words in the Bible that show that same kind of relationship with God: Prayer (talking and listening to Him), the Word (his letter to us), worship (appropriate appreciation and admiration) , rest (time to be still with Him), and Witness (telling others about Him and how they can know Him too). When we were first saved, we were excited about our relationship with Jesus. Time and circumstances can reduce the depth of that relationship from our side. But all of this can be restored!

God's purpose for the Little Cypress Baptist Church is to obey the Great Commission by being involved here and abroad in evangelism through missions, discipling believers, meeting social needs, and providing opportunities for Christian worship.

NAMB

John & Angie Truner

John is a Church Planters with Pillar Church of Killeen in Harker Heights, TX. John is asking prayer that God would give them wisdom and guidance as they form their core team and determine the church's location. Also, pray that God would grant them compassion for the lost and boldness to share the gospel.

With the Truth of Jesus!"

MAKE AN IMPACT

Death is sudden. Death is uninvited. Death is certain. We don't put "Death" on our day planners, but one day it just shows up...The only thing that will be important on the day you die will be whether or not you know the God who created you.
