Our funeral home makes no representations or warranties about the protective value of certain outer burial containers other than those made by the manufacturer. The only warranties, express, or implied, granted in connection with goods sold with this funeral service are the written warranties, if any, extended by the manufacturer thereof. No other warranties and, specifically, no implied warranties of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE are extended by the seller. "In most areas of the country, state and local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink. Either a grave liner or a burial vault will satisfy these requirements."
